ATTENTION B-25 VOLUNTEERS

We have names for some volunteers who were interested in lending a hand with the B-25 visit at KIKV July 14-16, but our contact info is somewhat limited, so we ask ALL Volunteers to contact Ryan Rousa, our volunteer coordinator ryan.rosa@tx.rr.com. Please provide Ryan with an email address and phone number. Ryan will confirm your availability and keep you in the loop, as things can change.

Presidential Ramblings July 2023

The countdown is on for the B-25 visit later this month. The B25 committee has been focused on making it a success for our chapter. This is a big undertaking for our committee so if you have time to spare please step up and lend a hand during the event. We all have busy lives and things get in the way of life on occasion. We appreciate anytime you can give, don't be afraid to volunteer. Many hands make small work.

I realize I didn't mention in last month's newsletter about our May program given by Greg Long regarding building and flying the RV12. Great program and now Greg has a flying aircraft.

Now I'm caught up tho - June was an exciting time as once again the chapter annual poker run was held. Although I was out of town for the finale, the feedback I received was positive. See the results in this newsletter. Looking forward to our next poker run and as it continues to grow and improve. Thanks to Marc B. and Paul R. for their guidance on a successful event.

Planning for the B-25 visit

Potluck: Bring a food item and something to grill

Update on our Harley Davidson donation from Dave Schuler. The board decided the price should be lowered to attract potential buyers. So that was done along with this an additional ten percent per week till someone decides they can't live without it. I must say it's a nice bike and is in great shape - I did have a passing thought while flying the other day. No it wasn't hey you should be focused on flying but rather maybe look into setting up a raffle for the Harley and see how that goes - just a thought. Who knows.

Camping at Oshkosh just an update we have two (primitive type) camp sites reserved. Once I know the location I'll let you know where these are located on the field.. The intent is to camp together during Oshkosh as a chapter. There is no charge for putting up your tent on the chapter campsite. Limit is 10 tents; shouldn't be a problem as chapter members come and go throughout the week - Camping together allows all of us an opportunity to get better acquainted and learn something new about a fellow member. I'm going to be there all week too. As sign up for work discussed with the VP and board it might be great to have one night where we have a chapter cookout together.
