NEW BUSINESS

- **Young Eagle Flight:** June 10, 2023 – 16 flights were given @ KSRB. Kids were provided with activities while they were in the holding pattern. A lot of big grins on several kids' faces as they walked off the tarmac. Conversation started on how to make this a smoother experience, pre-signed log books, arranged dispatch of child to pilot. Also looking to host a fall young eagle flight. Thank you all, pilots and crew.
- **Dewey Young:** Brought us up to speed on Al's RV6. White County High School declined and was not able to participate with the RV6 build. Mottlow has arranged for the kit to be built in Winchester.
- **Club Officers:** Current officers are approaching the end of term this year. Nominations start in October with vote in November.
