

## **EAA Chapter 1378 of Volunteer Aviators**

**Upper Cumberland Regional Airport**

**Minutes of: September 21, 2024**

**Attendance Report** – 12 members attended.

**Treasurer's Report** – Total balance \$3562.80, including \$90.28 in YE fund.

**Facebook** - For information or to post photos or comments visit our Facebook page. Go to [www.facebook.com/EAA1378](http://www.facebook.com/EAA1378) and it should take you right to it.

**Secretary's Report** – August summary minutes approved as corrected.

### **OLD BUSINESS**

- **Membership Dues** - \$20 for single. \$30 covers the family for the year.

### **NEW BUSINESS**

- **Young Eagle flight** planning for October continues. Dewey and the Hitchcocks continue trying to coordinate with Livingston. Conducting the YE flights at KSRB also possible (preferred by some). Pilots include Ron Hurt, Lonnie Hitchcock, and Mark Benningfield (not definite).
- **Lonnie Hitchcock, Ron Hurt, and others** shared info about hangar heating at Smithville (and vs KSRB).
- **Dewey Young** – noted that there is a breakfast every Saturday at Gainesboro (Jackson County Airport, 1A7). The breakfast is sponsored by the builder community at that airport and is free. Lots of builder projects underway.
- **Mark Benningfield and others noted** that there were fly-ins scheduled for Oct 5 at both Livingston and Crossville.
- **Ron Hurt** presented several scenarios for discussion, including a puzzler involving a fuel issue caused by a short circuit.
- **Michael Decker** presented a variety of VMC/IMC club questions; everyone joined in the discussions.

### **ADJOURNMENT**

Motion made and carried at 11:40 AM.
