

EAA Chapter 1378 of Volunteer Aviators

Upper Cumberland Regional Airport

Minutes of: February 18, 2023

Attendance Report - 12 members present

Treasurer's Report – Prior balance \$3,697.02 plus \$70.00 dues received minus \$25.50 for donuts for Jan meeting = \$3741.52 in general fund, which includes \$347.00 in the Young Eagle fuel fund.

Facebook - For information or to post photos or comments visit our Facebook page. Go to www.facebook.com/EAA1378 and it should take you right to it.

Secretary's Report – Minutes of the January meeting were read by Michael Decker and approved without changes.

OLD BUSINESS

- **Membership Dues** - \$20 for single. \$30 covers the family for the year.

NEW BUSINESS

- **Three new members** – Alvin Gunkel, Bill Hill, and Tom Dorr. All three want to build an airplane (ultralight or EAB) and get into, or back into, flying. Welcome!
- **Young Eagle Flight** – previously announced for 10 Jun 2023, but will now be held at KSRB Upper Cumberland. Start time will be 10:00 AM CST. Pilots are required to be EAA national member, Young Eagle certified, and have at least \$100k of liability insurance. Please go online to EAA and get your certifications completed!
- **Michael Decker** – entertained the meeting with VMC questions covering stabilized approaches and IFR pilot certification.
- **Lonnie Hitchcock** – presented a video on Project Restore Hope, which he and colleagues conducted in 1993 near Mombasa, Kenya. Technical difficulties ensued, and Lonnie was invited to load the video on his computer and try again at a future meeting.

ADJOURNMENT

Motion made and carried.
