LEARNERS AS WE GO **"SHOW and TELL** **WHAT YOU BOUGHT AND SAW AT OSHKOSH"** **CONGRATULATIONS TO** **THE NEW PRIVATE PILOT** **DON GLASER III**

Mr. Don was able to find a GREAT DPE, Designated Pilot Examiner and.....
the rest of the story will be told at the meeting! Awesome job for the Troy Airpark Gang to get
one of our own in and thru the system.

*Don receiving his ceremonial "Gold Wings" from Mom &
Dad. 10 July 2024*

But.....

Now Don is looking at a DC-3???

Well, the EAA 1387 gang made it safely to the camping grounds at the EAA AirVenture Airshow but then came the “who can get rid of the pesty mosquito’s the fastest?” Well Joe V brought out the old standby candle wax thing, but Mr. John T. had the latest and greatest electric scent burner, and you can tell by the impartial observer that Mr. John T’s device had an instant “kill.”

*John T with his electronic mosquito repellent,
WITH EVIDENCE OF A KILL!*
