## Business Meeting Announcements/Discussion topics

- Need mowing assistance. Gary and Jon has been doing all the mowing. The real mower is not in use. Brian has brought another donor motor. Saturday 10 AM we will convene a mower repair group. Need 4-5 people to assist. Need to mow weekly. They need help. Dave Q will come out on Saturday with a Kubota. **(a) Jon will send out a mowing email each time they mow.**

- Boy Scouts wants to do a young eagles event. Is there a date. Saturday July 14 at 9 AM. We will do a closed rally consisting of boy scouts, TAKF, high school students. Backup is Sunday July 15. 9 AM. **Rob Knudson volunteered to do paperwork.** Will update plans at next month's meeting. **(a) Coordinators come to next month's meeting with an updated head count.**
- This meeting is delayed due to weather. Gary Gregg's plane tried to take off during storm.
- Mark Cook wanted me to pass along a fly in at Granite Falls as part of the Warbird museum.
- Moberg flyers went out 6 weeks ago via Bemidji aviation. Will finalize additional details during next month's meeting. **(a) Jon send all of last year's participants a snail mail invitation to this years.** Pitch the Bemidji area chamber of commerce for door prizes.
- Dave Quam said the Moberg 2015 fly in video had 80K hits on YouTube.
- Evan Johnson BSU student grew up with grandpa's float plane. Starting ground school.
- Elaine Schmitt BSU student. Took ground school and now taking flight lessons
- Ryan Anderson. Lives in MSP but have a cabin in Bemidji. Takes a check ride on Tuesday.
- Anton is our new resident flight instructor out of Bemidji Aviation.
- Dennis Sold his Stinson and 172.
- Hockey day in Minnesota is in February. Bemidji will host at the Sanford center. Could we do a ski plane demonstration?
- Who owns Mobergs and how are we associated and what is the future? Paul Grand, Jeff Nye, Randy Forsyth are the owners.
- Paul Votava's dad has a grass strip and pond 10 miles west of Fosston. Grass strip is 2500 ft. Gave an invitation to fly over. **(a) Rob will target June 28 fly out and explore feasibility. Feasibility confirmed.**
