Treasurer's Report: Current Balance is \$3,273.22. Blessing/Leger to accept.

Old Business:

- Dave Quam asked for anyone to replace him as web master. Dan Leger volunteered.
- Rob discussed "Wright Brother's Master Pilot Award". Qualifications include 50 years safe flying since first solo.
- Status of "Club Real Estate" purchase from last spring. Nothing new at this time.
- Moberg Committee: Jon will call committee and provide report by March meeting.
- Moberg Date set: August 21/22.

New Business:

- Rob shared his experience at Minneapolis Airport training where autistic kids/families were given total experience from airport check-in all the way to taking a seat on the airplane. 16 families took 2 ½ hour tour. Designed to reduce flying anxiety with autistic kids. Has support from Delta executives. Rob would like to give the same experience at the BJI Airport. Not necessarily EAA sanctioned.
- Rob asked for ideas on new year activities. Plane trips? Will explore in February.
- Chuck brought info. on EAA & AMA Coop.

Program:

Mark presented program – "Maintenance and Pre-Flight after Maintenance"

Most aircraft problems occur right after maintenance has been performed. Communicate with your mechanic. Know where to focus your attention on a preflight.

Members thanked Mark and encouraged that programs like this continue at meeting. Very interesting and useful.

Meeting adjourned at 8:20 p.m.
