## Business Meeting Announcements/Discussion topics

### Old Business

- Mitch on NARY Airport
  - 8000 sq. ft. shop and 8 hangars.
  - Sale closed the end of March. Redoing the fuel pumps to get 100LL back. Runway topcoat next summer.
  - He is going to put up storage building 50 x 200 on SW corner of property.
  - History of airport: grass strip installed late 70s. Tarred 3000ft in 1991. He ran 35 Anesthetists out of this airport. There is pilot controlled lighting 122.8 CTAF, lights are on 122.9. Wants to create a little airpark east of runway. This is a privately owned, public airport. No need to call for permission.

### New Business

- Young eagles flight at Fosston in May.
- Old Eagles fly out from Mobergs. Mark briefed us on proposal June 14-16 to Black Hills. Invited Grand Rapids chapter. A couple gas stops. See attachment for further details. Scraping young eagles Bemidji and added fly out instead. Grand Rapids chapter of EAA asked for a mountain seminar. He will conduct that seminar Friday 4/26 at Grand Rapids 6 PM. See sign-up sheet if you are interested.
- May meeting at Mobergs and will do some flying.
- Annual dues check with Mark if uncertain about your status.
- Eric Hutchins presentation entitled "North to Alaska"
  - Eric and Ron Hannah trip to Alaska and back
  - Left 3<sup>rd</sup> week of June.
  - Can do it with almost any aircraft; don't need high performance
  - Bellanca Scout and WAG Aero Sport
  - Practiced landing on roads before trip
  - Cloud decks are stable but always there
  - Landed on road in Canada. RCMP stopped and said hello, but not in any trouble
  - He often followed the Alaskan highway
  - Catabanic winds come off glacier and cause turbulence
  - Flight plans are mandatory
- Pancake fly in at Crookston on Sunday April 28

## Adjournment

We adjourned at 8:04
