1981

Fly-In: Flyer – last event held at Ramona.

Starting in 1982, fly-ins were held at our facility at Brown Field.

A yellow poster for the 'Fly-In 1981' event. The title 'FLY-IN 1981' is in large, 3D block letters. Above the title is a drawing of a biplane. Below the title are two smaller drawings: a helicopter on the left and a biplane on the right. The text 'Public Invited' is written below the biplane drawing. The event dates 'OCT. 31~NOV.1' are prominently displayed, with 'RAIN DATE NOV. 7,8' and '\$ 3.00 per adult' to the right. The location 'RAMONA AIRPORT, CALIF.' is listed below the dates. A list of activities follows: 'TROPHIES FOR ALL CATAGORIES', 'WORKSHOPS & FORUMS', 'BARBEQUE DINNER', 'AIR EVENTS', and 'OVERNIGHT CAMPING'. To the right of these activities is a list of categories: 'HOMEBUILTS, STATIC DISPLAY, WAR BIRDS, SAILPLANES, ULTRA-LIGHTS, ANTIQUES/CLASSICS'. At the bottom, there is information for more details, contact names (Ben W. Hunsaker and Jack F. Ebey), and sponsors (Experimental Aircraft Assoc. Chap. 14 & San Diego Chap. and Antique Aircraft Assoc.).
