

November 2021

President's Message

— Doug Eaglesham

Good day everyone,

It's been quite some time since we have held a normal face to face meeting, but I think we are at a point where we can safely do that once again. We were able to have a very successful BBQ a couple of months ago, thanks go out to Nico for the use of his hangar, and Doug Robertson and Vance for acquiring the BBQ and flipping the burgers. Unfortunately, the next wave of Covid restrictions hit right after that and brought us to a standstill again.

We are making plans to hold our next gathering Thursday 4 November at 6 pm at the Air Cadet hangar, I hope you are able to attend. Since the latest round of Covid restrictions are still in place, we must ask that everyone has had their vaccinations, please bring the standard card showing you are up to date. By doing it this way we are able to use the 1/3 building capacity allowance which will easily accommodate all of us.

The program for the evening will be fairly simple since I'm sure there is a lot of visiting and catching up to be done. Our intrepid Zenith 601 builders have accomplished a lot in the last few months so we will have a presentation on their progress. Their bird has been able to venture out, as you will notice in the photos!

The schedule for this meeting will be a bit different, we will have our social time and presentation first. Since we really don't know how many will attend, we plan to order pizza as soon as we have an idea of the number of people we have. Refreshments will be on hand at the beginning of the evening. Please bring a few dollars with you, we have yet to determine the cost of food and refreshments.

Over the past months we have had good success holding "fly outs" and our most recent flight a few weeks ago was reasonably well attended. Destination was

WAYPOINTS

Lacombe, and the weather was great! We made use of their excellent terminal building, lots of discussions while we had our lunch. We will definitely continue with our day trips and keep you posted via email. If you have a good idea for a destination, please let us know.

Looking forward to seeing you on Thursday, bring some good stories!
Cheers,

— Doug

Who We Are

We are an enthusiastic group of like-minded individuals from various backgrounds who share a passion for recreational aviation in Southern Alberta and we offer the chance to meet others who combine fun with learning.

FOR SALE

Flying Club Members Wanted

The Zenith 601XL-B Learn Build Group is looking for 3 new members to join a Flying Club to be established. For more information please contact Kelvin Downs (downs.kelvin@gmail.com) or Vance Lucas. (vlucas@live.ca)

How to Join Our Chapter

Attend our next chapter meeting. Ask for anyone and they will be pleased to help. All the required forms will be made available for you to fill out. You must be a current member of EAA International, so please have your EAA membership number. If you are not a member, you can join EAA at the meeting.

Contact us by post at
EAA Chapter 1410
Box 5280, High River, Alberta T1V 1M4
Or by email at
president@eaahighriver.org

For registration forms contact the treasurer (see the list of the executive below).

Please update your web member profiles

On our web site, in the member's section, there are many pictures and profiles that are quite dated (aluminum parts which are now beautiful flying machines). The updates should be sent to the webmaster (webmaster@eaahighriver.org) Please supply: Name, project or aircraft, facts about your project and area of aviation interest.
