WAYPOINTS

President's Message

Good day everyone.

I expect the majority of us have been able to put in some air time over the last month, please feel free to give us a quick brief on your flight no matter how ordinary it may have been.

This Thursday will essentially be our "regulations and procedures" evening. As planned, we will be completing the latest TC proficiency exam at the next meeting. Thanks to Carl Forman for providing us with enough copies for everyone. If we have time, we can also discuss any other items you would like to address.

I will ask one or more of our members involved to give us an update on the Zenair 601 build project, it's progressing quite well. The Lycoming O-235 that came with the package was run a couple of times with good results. Young Eagles day is fast approaching, we will take a few minutes to firm up our plans. I confirmed the use of hangar C1 reception area as we have in past years, this will be a big help with our coordination. As some of you may know, the building has new owners and they are very eager to assist. I think we all enjoyed last month's guest speaker, Nick van Aalst. As he mentioned, we would be welcome to tour the tower at Calgary International, and we will make plans to do that in the near future. We could combine that with another point of interest, let's talk about possibilities.

Airventure at Oshkosh is not that far away, who is planning to go this year? I'm aware of at least 8 people and 5 planes from the Calgary area, it would be great to see some of our chapter members there.
See you all Thursday!

--- Doug

Aircraft Storage

Private and Commercial lots as well as tie downs available

HIGH RIVER REGIONAL AIRPORT

**Don't miss this opportunity! A great alternative
to sitting on the pavement in line waiting to take-off!**

**Fuel on airport 100LL and JetA Aircraft maintenance as well as all oils and
many supplies from Murrays Aircraft Repair**

EAA Chapter 1410 on Airport

Who We Are

We are an enthusiastic group of like-minded individuals from various backgrounds who share a passion for recreational aviation in Southern Alberta and we offer the chance to meet others who combine fun with learning.

FOR SALE

Zenith CH250 project. Closeout inspection done. Comes with brand new iCom A210, Garmin GTX320, Dynon D60, Garmin 396 and RWS engine monitor, plus an assortment of AN hardware and tools. Email Robert Fridman for more details (ch250calgary@gmail.com).

Hartzell C2YR-1BFP/F7497-2 72" Blended Airfoil Propeller. Looks factory new! This Scimitar Hartzell prop was bought new in May of 2013 and was totally overhauled in November of this year. It is a "0" time certified propeller that looks like it just came from the factory because most of it did. \$9000.00 or best offer. Gary Abel 403-901-7876

How to Join Our Chapter

Attend our next chapter meeting. Ask for anyone and they will be pleased to help. All the required forms will be made available for you to fill out. You must be a current member of EAA International, so please have your EAA membership number. If you are not a member, you can join EAA at the meeting.

Contact us by post at
EAA Chapter 1410
Box 5280, High River, Alberta T1V 1M4
Or by email at
president@eaahighriver.org

For registration forms contact the treasurer (see the list of the executive below).

Please update your web member profiles

On our web site, in the member's section, there are many pictures and profiles that are quite dated (aluminum parts which are now beautiful flying machines). The updates should be sent to the webmaster (webmaster@eaahighriver.org) Please supply: Name, project or aircraft, facts about your project and area of aviation interest.
