

EAA CHAPTER 145

e-Bulletin

Sparta area TFR (Temporary Flight Restriction)

Tomorrow (04 February 2021) there will be a TFR located 1.5nm northwest of the Sparta Airport. It will be active from 10:30am to 14:30pm from the surface to 2000' AGL. Runway 7 operations will be affected, and we ask that you pay particular attention to your pattern or pattern entry to not enter the TFR.

For more information see: https://tfr.faa.gov/save_pages/detail_1_0253.html
