

JUNE 2025

EAA CHAPTER 145

SINCE 1962

Chapter Meeting: Saturday, June 14, 2025 – 10:00am
Riverview Airport (08C)– Big Hangar (see map on last page)

CHAPTER PROGRAM

Dr Scott Brasseur, senior HIMS Aviation Medical Examiner (AME), will be discussing Basic Med, the Deferral Process, the general medical application, and will leave time for your questions.

See meeting notice further down in the newsletter.

YOUNG EAGLES

We have a few Young Eagle events upcoming. June 21st, we will be working with the GVSU STEP program. In August, there's the big Wings of Mercy event in Holland. If you are interested in helping at any of these activities, please contact Anthony Howard or John Streyle – Young Eagle coordinators.

INSIDE THIS ISSUE

- 2 WEEKS Hangar
- 3 Young Eagle Event
- 6 Pancake Breakfasts
- 7 Upcoming Events

VMC CLUB

The EAA Chapter 145 VMC Club meets on the 3rd Tuesday of the month at 7 pm in the Riverview Airport Lobby. The next meeting will be on Tuesday, June 17. Everyone is welcome to join in. Contact Bob Swietek in advance to have him email the questions; then think about what you might do in these situations.) Other 145 members then offer their thoughts on what they might do and why. The questions are sent from EAA National.

We talk other flying topics, including a flying scenario, where you might find an airplane problem. What would you do? We also have an open discussion regarding whatever news, safety or Riverview information members find of interest. Come join us.

EAA CHAPTER APPAREL

We have Chapter branded shirts, hats, and embroidered patches for sale. Thanks to Nancy Priebe. These are a great idea for birthdays, or that cool pilot look. See Nancy at our next meeting for more information.

ANNUAL DUES

Chapter dues are being collected now – only \$25. You can mail or deliver dues in person at the next meeting. Use the Application/Renewal form at the end of the newsletter.

WEEKS HANGAR TRIP

Two groups of volunteers traveled to Oshkosh to work at the Weeks Restoration Center. They were able to get close-up to unique and historical aircraft. They worked on the De Havilland Mosquito, the Boeing B-17, a Zenith Cruiser, and others.

EAA YOUNG EAGLE EVENT

Below is a summary of our recent Young Eagle event we held for the Allendale Baptist Church group. Randy VanLaar and John Streyle flew (12) kids. With the smaller number of flights, we were able to offer a more personalized experience to the kids and parents, and answer more of their questions. Thanks to the ground volunteers as well – Seanan Lee, Randy Houtman, Rick Saliers, Andy Hoover, Dick Foster, and Anthony Howard.

Results of Allendale Baptist-Church YE-Rally at Riverview Saturday May 10, 2025

A great group of EAA volunteers made things go smoothly. The smiles on the Young Eagles faces were priceless. Top Marks to all, Dick
