

CHAPTER MEETING NOVEMBER 12th AT 10:00 AM 2005

GRAND RAPIDS

CHAPTER 145

<http://www.eaa145.org>

Program for Saturday Nov. 12, 2005

This month's EAA meeting will be at Riverview airport at 10am. The meeting will have several interesting parts, so come to listen, learn and speak-out about your chapter. There will be an open discussion about dues, use of the hanger and hanger fees.

Chapter activities/programs will be discussed for the coming year.

Todd Olson of KISD Aviation Technology will present a unique idea of how to promote aviation among the young people...future A/C mechanics and pilots?

Mark the date and bring your ideas to help stimulate the discussion.

Minutes from October 8th. 2005:

We had 12 members present and one guest. After a short meeting about the support of our hanger we had a video program on how the first GP4 aircraft developed and progressed.

If anyone would like to see it contact Dick Foster.

Hanger update: The hanger is coming along real good under the direction of Bill Willyard and others that have donated so much time (and money). Bill is there most every weekend so just come out if you're looking for something to do. So far we have spent \$2444.83 and have received donations of \$1390.00 in cash thanks to Dick, Bill, Mike, Merle and Al. (Two were \$500.00)

**DON'T FORGET 10:00AM
NOVEMBER 12, 2005 MEETING**
