

April 2021

Experimental Aircraft Association Chapter 211

Hangar Talk

Serving airplane builders, restorers, pilots, & airplane lovers in Western Michigan

Meeting Friday, April 2, 2021, 7:00pm

"AQP for GA - Trying to Bend the Fatal Accident Rate in the USA"

**Ottawa Executive Airport (Z98) 5923 Byron Rd., Zeeland, MI 49464
Doors open at 6:15pm. Coffee, Water, Cookies available. Meeting starts at 7:00pm.**

The speaker for our April meeting will be the affable, fun-loving, pilot from Georgia, Dan Gryder. A pilot for 42 years and CFI for 40 years, Dan is a now retired Delta Air Lines Captain typed in DC-3, DC-3TP, DC-9, MD-88, CE-500 series, MU-300, BE-400, B-757, B-767, B-777. Dan is currently instructing in all GA planes, single, twin, multi, tailwheel, radial, turbo prop, and jet. He also is widely recognized from his popular YouTube Channel, Probable Cause.

Dan's interactive and unscripted program, titled "AQP for GA - Trying to Bend the Fatal Accident Rate in the USA", will likely utilize a volunteer from the audience to help illustrate the theme of the evening. There may be a guitar or banjo involved, with 60 minutes of music, explanation and airplanes. Each person will leave having seen something that they have never seen before, making it an evening you're sure to remember!

We are expecting a large turnout at this meeting, so, to help us better plan, please send a quick email to EAA Chapter 211 President, Mark Lynn at mlynn@emiliaair.com to let us know you will be there. Please share this newsletter with all your aviation friends!
