

EAA CHAPTER 1474 BULLETIN

RIO VISTA CA. 94571

MARCH 2023

VOLUME 2023 ISSUE 2

AIRPORT OF THE MONTH

Auburn Municipal Airport
Auburn, California, USA
54.2 MILES
032 HEADING from O88
Wings Grill & Flight Line

“Auburn” is close, great place to have lunch. It works perfectly if you’re getting current but also hungry! In the summer you can watch the traffic while sitting on the outside patio area with your guests while enjoying a great lunch. Fantastic hamburgers. Contact 530-885-0428

ARRIVAL

1. Take off out of Rio Vista and follow the Delta up (Heading 032) to set yourself up for a perfect 45 into left traffic for Runway 25.
2. Get weather briefing on 119.375
3. Contact the Traffic on 122.7 for further instruction

NOTE: A cruising altitude of 2,800 is recommended for a smooth enjoyable flight.

Once on the ground you’ll taxi to the parking at the restaurant or close to it. After parking and locking the plane, walk into the Wings Grill

DEPARTING

1. Get your ATIS briefing and flight following frequency and transponder code
2. Communicate ,communicate, communicate and depart

So get out there and get your Burger.

Note from Gerry Nolan

Greetings-

The foggy and rainy season is here—but hopefully not for long! In the meantime, here are some friendly reminders:
