## RIO VISTA CA. 94571

APRIL 2023

VOLUME 2023 ISSUE 4

### *NEWS from the President of EAA chapter 1474*

Greetings-

The foggy and rainy season is here—but hopefully not for long! In the meantime, here are some friendly reminders:

Latest news and updates

- EAA Chapter 1474 website is updated and active. Check out the website on the EAA site! We will be updating the information monthly
- Please, Submit pictures and interest for the chapter to add to that website. Send to R. Butler for admission.
- EAA Roster Management tool is completed and fully active
- Any member wishing to add or get on the agenda of scheduled meetings can submit the request with subject, time needed and purpose. It will be determined when and if that can be added to the agenda and a notice will be sent to the requester.
- The news letter will be sent to all of the members within one week of the meeting with updates from the subjects of the meeting
- Elections will be held during the April meeting in compliance with the EAA chapter rules
- Improvements to communications
  - All distribution listings are from the EAA Roster Management tool
  - All communications are distributed with BCC so the the privacy of your email is maintained
  - Each communications shall contain hyper links which allow access by clicking the link.
  - Each email address can auto reply by clicking the name of the person you wish to contact. Try it you'll like it
  - Larger print for easy reading

Thank you for everything and let's fly.

Gerry
