

EAA CHAPTER 1474 BULLETIN

RIO VISTA CA. 94571

FEBRUARY 2023

VOLUME 2023 ISSUE 1

AIRPORT OF THE MONTH

Sacramento Executive (KSEC)
21.6 MILES
027 HEADING
Aviator restaurant

“Sac Exec” is close, great place to have lunch. It works perfectly if you’re getting current but also hungry! The folks at the tower are friendly and the airport is welcoming. In the summer you can watch the traffic while sitting on the outside veranda with your guests while enjoying a great lunch. Generous servings at a reasonable price.

ARRIVAL

1. Take off out of Rio Vista and follow the Delta up (Heading 027) to set yourself up for a perfect 45 into left traffic for Runway 20.
2. Get weather briefing and code on 125.5
3. Contact the tower on 119.5 for further instruction

NOTE: A cruising altitude of 2,800 is recommended for a smooth enjoyable flight.

Once on the ground you’ll be directed to the transit parking at the base of the tower. After parking and locking the plane, walk in the main terminal and up the stairs to the Aviator Restaurant.

DEPARTING

1. Get your ADIS briefing and determine what code you have for departure
2. Contact Ground on 125.00 and be prepared to write down taxi instructions. Always remember the option for progressive taxi instruction!

So get out there and get your Burger.

Note from Gerry Nolan

Greetings-

The foggy and rainy season is here—but hopefully not for long! In the meantime, here are some friendly reminders:

Latest news

1. EAA Chapter 1474 website
2. Check out the website on the EAA site! We are tuned into the main EAA website and will be updating the information monthly
3. Submit pictures and interest for use to add to that web-site.
4. EAA Roster Management tool is being updated and will improve communication
5. The agenda for each upcoming meeting will be sent out 1 week prior. Any member wishing to add or get on the agenda can submit the request with subject, time needed and purpose. It will be determined when and if that can be added to the agenda and a notice will be sent to the requester.
6. The news letter will be sent to all of the members within one week of the meeting with updates from the subjects of the meeting
7. Make sure you enter to win a gift certificate to Aviator Restaurant in Sacramento at this month’s safety meeting.

Thank you for everything and let’s fly.

DATES TO REMEMBER:

FEBRUARY 2023

1. February 11th—chapter Meeting 10:30—11:30 AM
2. Travis AFB Museum tour March 15th 11AM
3. Airport Day September 9th 2023
