PRESIDENT'S MESSAGE

AUGUST 2022

Hello everyone,

Our August 12th presentation meeting will begin at 6:30pm outside the main hangar door on the Schaumburg Airport main tarmac with a tasty dinner of sub sandwiches, chips, drinks and feel free to bring your favorite dessert to share. Bringing a chair could be a good idea, if you want.

At about 7, we will have a great presentation and be able to look at the REMOS GX Light Sport aircraft, while Sebastian from CITYWINGS Flight School at Schaumburg describes the aircraft, flying Light Sport and the Sportpilot pilot license.

Afterwards we will discuss our builder updates/flying stories/OSH observations/show and tell and anything else you all want to share with the group.

You may want to park in the lower level parking lot and use the pedestrian gate.

*** Please send us a nice picture of your flying aircraft, so we can put it on our website and maybe in the newsletter.**

*** Please feel free to make any suggestions for upcoming presentations and speakers you think we would enjoy.**

*** Please feel free to bring any friends or family to any of our gatherings. We are also always looking for new members to join our Schaumburg Chapter 153.**

Thanks to all who make us a great Chapter and who help us have fun!

Bob
