

# CHAPTER 153

## PRESIDENT'S MESSAGE

OCTOBER 2024

EAA153.org

Hello Friends of EAA 153,

Fall is here, along with some appreciated cooler weather and rain. Airplanes seem to like it a little cooler. The attached Newsletter is ready for you to check out. Knowledge and fun await you!

Thank you to **Ron Monsen "Apollo Program: Test Pilot to Geologist."** The September Presentation was fun and educational! He flew his Cessna 182 in to speak to us. He also has a Corvair powered Sonex. Afterwards, we had a big birthday cake and ice cream for someplanes 70th birthday. Then we caught up on our builder's/flying reports, show and tell items, general discussion and more cake...

Hops and Props was a lot of fun. Great bands, food, booths, planes, people and beer! Schaumburg Airport knows how to throw a party! Be sure to check it out next year.

The October presentation is planned to be about **Restoring a Classic Bellanca or Cropdusting! And will be done in person and on Zoom.**

Our November elections are coming up, so you may get a call to ask you to serve on the board, from our election committee-Garry and John.

Perhaps you have thought about doing more for EAA and EAA Chapter 153. Would you like to start or help out on a fun group committee (like party planner, safety, membership, recruiting, youth outreach, welcome, refreshments )? It is a good feeling to participate in your Chapter a little more. You can also always attend a Thursday monthly Zoom board meeting, let me know.

You will really enjoy our hangar meetings, ice cream socials, picnics, sunset meetings-while we learn new things and have fun with our friends.... Thank you all for your ideas, support and for being part of our 61 year new EAA Chapter 153! Thanks also to Madeleine our Newsletter Editor. See you soon, have fun and stay safe.
