

CHAPTER 153

PRESIDENT'S MESSAGE

JULY 2023

Hi Everyone,

Hope you are enjoying the Summer so far! We have been lucky to have some nice flying weather to go with the longer days.

Our last presentation/gathering was a great time, with Jake telling us about his Piper Arrow, the guests from the 99s organization attending, the big crowd and some younger guests, the submarine sandwiches and great desserts, the waterfront hangar setting and the gorgeous weather!

Schaumburg Airport recently opened up their time capsule and as part of their presentation they exhibited pictures and old newsletters with Gregg Erickson, Cissy Rawlings, Walter Voss and other celebrities. We are so lucky to have our great airport.

The recent Father's Day breakfast at the airport had a nice turnout of friendly people, great food, the balloon guy, airplane rides and more great weather.

Coming up next on July 14th at 6:30 pm is our outdoor Cessna 170 presentation given by Holiday Airways in their A-13 hangar. I love the 170 taildragger and am really looking forward to hearing more about it. The Chapter will order pizzas and drinks, so don't forget to fill the donation jars. We will also have a dessert contest, so get out your old recipe book or visit the Jewel for a chance to be recognized as one of the winners! You can either walk on over to the A13 hangar or get a ride from one of our chauffeurs at the walk in gate by calling me.

We hope you get up to see the magnificent flying machines at OSH for a day or a week!

We have some openings on group committees if you want to participate a little more. Our elections are in November if you want to be on the board.

Please feel free to submit any ideas you have for future topics, social gatherings and please do consider writing an interesting story or helpful airplane tips to put in our monthly newsletter. Share your expertise!

Also if you have your airplane photo and you would like it showcased on our website, then send Glenn or me a nice picture of it. Thank you Glenn, for building up and maintaining the website. Please also Visit, Share and Like us on Facebook.

Thank you to all of you for being part of our great EAA Chapter 153!

See you soon, have fun and stay safe.

Bob Brandt

JUNE 9 MEETING PHOTOS

← Jake and his Arrow!

Visiting wildlife?

Picture perfect
weather for an
outdoor airport
meeting

Our membership count is growing and we want to make sure that every student pilot, long time pilot, aviation supporter, or CFI knows they are welcome to attend and become a regular member.

Please spread the word.

Remember that:

- 1) Our chapter has great tools to loan out to paid up members
- 2) We have Tech Counselors & Flight Advisors to consult with

The membership form is attached for you to fill out and mail, or you can bring it and pay for 2023 dues at an upcoming meeting.

CHAPTER 153

PRESERVING THE FREEDOM OF FLIGHT

OUR JULY FEATURED AIRPLANE HOLIDAY AIRWAYS' CESSNA 170

ADVANCE PLANNING—DATES TO SAVE

On August 11th at 6:30 we will have the Civil Air Patrol show us one of their planes and give us an informative presentation on the main ramp outside the big Revv hangar.

The following day, Saturday August 12th, is our annual EAA 153 Chapter Picnic. It will start at 12 noon at the Shoe Factory Road Model Airplane Flying Field on Shoe Factory Road, between RT 72 and Bartlett Road. It will be Potluck and feel free to bring your best dish or as a guide if your last name is from A-G bring salads or appetizers, if it is from G-M bring a main or side dish and if from N-Z bring a delicious dessert. Bring

enough for about 10 people and maybe that will work out. We will not be using barbecues.

The Chapter will supply drinks, plates, cups, plasticware, a couple of tables, some chairs and a couple of pop up tents. Feel free to please bring chairs, card tables, pop up tent and your model airplane to show off and fly. It is not supposed to rain that day, but if it does we will have the picnic the next day, on Sunday. Bring your family and a guest. There is a port-a-potty there. We expect some extra special guests to also join us.

Sept 8th at 7:30, we will be back in the indoor room to hear Bob Meyers presentation on the restoration of the Bellanca Triple Tail taildragger and we are planning an ice cream social for the break.
