

CHAPTER 153

PRESIDENT'S MESSAGE

MAY 2025

Hello153 Friends,

On April 11th we heard from the amazing group 'Women in Aviation'. They shared a lot of interesting information on all the amazing women that have helped make Aviation and America what it is today. Amazing aviatrixes walk and fly among us daily and continue to be an inspiration to all of us.

Our planned Friday Night May 9th presentation in the lower level of Schaumburg Airport at 7:30pm is 'Aviation and Law Enforcement', given by a recently retired Law Enforcement Officer/Pilot. Come and hear about laws that affect your airports, flying rights, cargo, best practices and more. Bring your questions for the open discussion to follow. It will not be on Zoom and we will plan to have a few light snacks, coffee, water etc... You can come earlier to hang out, if you behave yourselves and especially if you make us some delicious treats.

Read more details and articles inside our attached newsletter.

Please bring your friends and family to any of our little parties.

You can mail or hand me the new updated membership form with your check or cash at your convenience.

Thanks to all of you that put \$ in the food donation jars when we have food served.

You can attend a Thursday night monthly Zoom EAA 153 board meeting if you wish-just let me know.

Please submit any ideas you have for future hangar presentations, speakers, topics, social gatherings and please write an interesting, funny and/or helpful airplane story/article/tips for Madeleine to put in the newsletter. Be published and famous, and maybe get a prize!

Also if you have your airplane photo and you would like it showcased on our website, then send Glenn or me a nice picture of it. Check it out!!

The Chapter has some aircraft hardware and handy airplane tools to loan out to our paid members for short term use. Call me with any questions or for a full list.

Our Chapter has flight advisors and technical counselors to consult with.

Maybe some friendly members would like to help you with building your aircraft project. Just ask during the Builder's reports.

Please also Visit, Share and Like us on our fun, educational, helpful EAA 153 Facebook page.

Masks at our events are optional. In case you feel any unhealthy symptoms, please stay home and get better. Please practice social distancing and use the hand sanitizer. Let's all stay healthy!

You will enjoy our hangar meetings, ice cream socials, picnics, sunset outdoor meetings-while we learn new things and have fun with our friends....

Thank you all for your ideas, support and for being part of our 62 year new EAA Chapter 153!

Thanks everyone. See you soon, have fun and stay safe.
