## **January 12<sup>th</sup> Meeting Announcement**

This is our 2008 organization meeting. We need as many club members as possible at the meeting to accomplish the following:

- Select officers. The same slate as last year has agreed to serve again. However, any of us are willing to step aside for new nominees.
- Decide club activities and pick the 2008 activity dates. Here is your chance vote for the kinds of activities you enjoy. Come and suggest something new or vote for the same kinds of things we have enjoyed in the past.
- Select a t-shirt design. Andre P. has agreed to do the design and Andre M. will order them if we have enough people who want one.
- Discuss aircraft availability to have a LS plane for club members who are flightless. Harry T. will discuss ideas for a non-club affiliated means to get things going.
- Finally, the usual; assisting each other to get us safely into the air.

Mark is really excited about the airing of his Mythbusters episode. As far as he knows an entire hour will be devoted to him on Wednesday January 30<sup>th</sup>. If you can record the show, pls do so and we will play it at a subsequent meeting. In addition, Mark will want to play it over, and over, and over, and over.... because this is his claim to fame!
