### AGM, Oct 26<sup>th</sup>

Election results from the AGM:

President – Ron Wood

Vice President - David Stanchuk

Treasure - Doug Daverne

Secretary – Malcom McLeod

Directors – Cliff Padington, Wayne Runyon, Noel McAvena and Vic Zubot

Thanks to the above members for continuing on in their positions on the executive and to Doug Daverne for joining the team.

### Banquet Saturday Oct 26<sup>th</sup>

Once again an excellent meal was provided by the Royal Regina Golf Club.

Following the meal and door prizes, Audrey Kahovec did an excellent presentation; going over the highlights of her career in aviation (it was interesting to hear the wide range of aircraft she has flown commercially). She also talked about some of the challenges and successes she has had as the new General Manager of the Regina Flying Club. I think the RFC is in good hands and will flourish under her direction.

### CH701 Project

Pre-cover inspection has been completed on the 701, one snag was identified in the elevator. On closer inspection we discovered more flaws than just missing deburring and have decided to totally rebuild the piece. We were surprised on the workmanship of this piece as most of what Richard had fabricated was of high quality. All in all, the MD-RA inspector was very happy with the chapter's workmanship and that of the original builder.

### VMC Club next Meeting Wednesday Feb 29<sup>th</sup>

We have tentatively scheduled the next VMC session for Feb 29<sup>th</sup> at 1:00. More details to follow closer to the date.

Some good ideas came forward at the AGM for the sessions and we have plans for additional content that should make the sessions even more interesting.
