

Chapter 154

Membership Application & Information

Welcome to the Experimental Aviation Association, Saskatchewan Chapter 154. Whether you fly, build or simply enjoy airplanes and aviation, attend events and join our chapter.

Our local registration fee is \$25/yr. To encourage you to “Try us Out”, Chapter 154 offers new members a free trial membership for the current year.

Chapter 154 also offers a 6 month complimentary membership to the National EAA organization for new enthusiasts who have not been an EAA'er before. This is truly a full EAA membership where you will receive *EAA Sport Aviation* magazine, access to the resource rich members-only area of the website, member discounts on programs like EAA SportAir Workshops, EAA AirVenture at Oshkosh and more! So sign up to join us in the Spirit of Aviation.
