*Great speaker at this year's banquet Jody McKinnon was very interesting. Need to remember to take pictures at these events. Oh well another picture of the Zenair build is always interesting.*

### Banquet Saturday Oct 13<sup>th</sup>

We had 25 members and guests at this year's banquet. Once again the Royal Regina Golf Clubhouse put on an excellent meal.

Following the meal we had door prizes and an excellent presentation by Lieutenant-Colonel Jody McKinnon of 15 Wing Moose Jaw. Jody is currently in charge of training, his talk touched on training as well as other aspects of his military career including time with the Snow Birds, deployment to Afghanistan and flying helicopter.

Following his talk he took questions and we all enjoyed the informal chat.

### CH701 Project

Work on the forward fuselage is underway, not too long now before pre-close inspection and motor installation.

Be sure to drop by to check out the plane or lend a hand, we are hard at work Saturday morning after 9 or Wednesday evenings after 7 in Noel's second garage behind the house 3115 Zeck Place.
