Manitoba Pilot to Lead EAA Canadian Council

Raquel Lincoln, EAA Lifetime 1306824, of Winnipeg, Manitoba, who has extensive involvement in Canadian aviation activities and organizations, has accepted the leadership for EAA's Canadian Council. The EAA Canadian Council is the primary connection and advisory group between EAA headquarters and the association's thousands of Canadian members.

"Raquel's many connections to Canadian aviation organizations and her knowledge of issues facing recreational aviation pilots in Canada will be a tremendous benefit to the EAA members we serve there," said Jack J. Pelton, EAA CEO and Chairman of the Board. "Her leadership of the EAA Canadian Council will help us increase the opportunities for EAA members in all areas, from aircraft building and restoration to introducing young people to aviation, as well as enjoying the world of flight in all its facets."

Lincoln is a private pilot based at Lyncrest Airport in Winnipeg. She serves as the secretary/treasurer and Young Eagles coordinator for EAA Chapter 63 and is the outgoing chairperson of the Air Cadet League of Canada (Manitoba). In addition, as executive director for

the Manitoba Aviation Council, Raquel builds relationships and advocates for Manitoba's aviation industry.

“Aviation draws passionate people who enjoy the unique possibilities within flight, and it’s a community I truly enjoy and want to enhance,” Lincoln said. “Volunteering in EAA programs such as Young Eagles and AeroEducate has shown me even more opportunities for aviators and future aviators in Canada, which is a major reason I look forward to chairing the EAA Canadian Council.”

Lincoln succeeds Jeff Seaborn, who had served as EAA Canadian Council chair since 2019.

Top Gun: Maverick Aerial Coordinator Kevin LaRosa II Headlines Wright Brothers Memorial Banquet

Kevin LaRosa II, an aerial coordinator on more than 100 motion picture and commercial productions including *Top Gun: Maverick*, is this year’s featured guest at EAA’s annual Wright Brothers Memorial Banquet on December 9 at the EAA Aviation Museum. [Tickets for the event](#) are currently available at the EAA Aviation Museum website. Attendance is limited to 350.

LaRosa is one of the industry’s leading experts in aerial cinematography, with more than 16 years of experience. He is air transport pilot-rated to fly a variety of aircraft including the Blackhawk helicopter and L-39. He also holds an FAA Part 107 UAS rating for flying unmanned aircraft. Other films on LaRosa’s résumé include *Iron Man*, *The Avengers*, and the upcoming *Devotion*.

EAA’s annual Wright Brothers Memorial Banquet honors the Wright brothers’ successful flights at Kitty Hawk, North Carolina, on December 17, 1903, that began the era of manned flight. Tickets for the event are \$70 for EAA members and \$95 for nonmembers. Doors open on December 9 at 5 p.m., with the dinner starting at 6:30 p.m., and the presentation immediately following dinner.

Needed to post this picture of our winner from the Tartan Fields Golf outing. David Valentine from Chillicothe, OH. He and 3 of his golf buddies Tim Doles, Mike Doles and Ron Trainer enjoyed a day of golfing at Tartan Fields in Dublin.

EAA 1629 had the pleasure of hosting the Ford Trimotor October 13th through the 16th. Here are some pictures of the tourstop. With this we would like to thank Christine Detwiler and her crew for ensuring that the CAP kids to come help with the Trimotor on that Saturday. They helped with a multitude of things. Engine Starting, ticket taking, escorting passengers and others just looking at the trimotor, taking pictures for people (a great help), ensuring passengers boarded safely and got their seatbelts fastened, ensuring the seatbelts were placed in the seat after a flight. Such a tremendous help. They were so polite also. We hope to have them come back out to the airport in the future to help with other events. This was very education for them also. They were able to help out at a general aviation event unlike when they just come out to the airport and host their recruiting booth.

You can contact us for more details on the IMC Club meetings via email. Dr. Michael Stretanski, President of 1629 is our Coordinator along with Andrew Hale and myself, Darlene Ford as co-coordinators. Email marysvilleeaachapter@gmail.com

We will be starting the IMC meetings back up on November 16. Topic to be determined. If you have a topic you would like for us to address, please email us.

Meetings are held the 2nd Saturday of the month at Zanesville Municipal Airport (ZZV). We start gathering around 5 to talk and have some refreshments. The meeting will start at 6:00 PM. All are welcome to attend. Come on out to see what we do and hopefully you will join the Chapter. You do not have to fly a Vintage Aircraft to join.

EAA Chapter 255 meets the 2nd Sunday at 4:00 PM at the Ashland County Airport (3G4) located at 700 Township Rd. 1102 Ashland, OH 44805

EAA Chapter 382 Beaver Creek meets the 3rd Thursday at 7:00 PM at the Greene County/Lewis A Jackson Regional Airport (I19). They recently hosted the Ford Trimotor from September 29 through October 2. I had the pleasure of going over on Sunday and helping out. Due to the high winds they had to cancel all but 2 of the flights on Sunday. Here are a few pictures from the tourstop.

Frisch's Big Boy and Butler County Warbirds, Middletown, OH (KMWO) After landing taxi down to Butler County Warbirds. Walk across the street and enjoy a nice meal at Frisch's Big Boy, or do like we sometimes do and just get their dessert to go. Butler County Warbirds has a bench outside so enjoy your dessert at the airport. Before you leave be sure to check out the museum.

Burke Lakefront Cleveland, Ohio

Welcome to Women in Aviation, Cleveland Chapter, we are a chapter of Women in Aviation International. Established in 2013 our goals are to provide mentoring, outreach, and support to women in aviation while promoting the aviation industry as a whole. All women and men are encouraged to join us and share in our interest of all things aviation.

The Hangout: an AOPA Fly-In is landing at **Tampa Executive Airport (KVDF) on November 4-5 in Tampa, FL!** We are excited to return to our roots and provide a unique, casual environment for pilots to hang out, enjoy some entertainment, food, and camaraderie.

During this fly-in, you can:

- Participate in educational seminars; Browse exhibits and displays; Visit the 39 Lounge for food and beverages; Meet aviation influencers and AOPA Staff; Watch aerial entertainment from the flight line; Camp, play cornhole, and swap stories around the campfire

We can't wait to "Hangout" with you! Tickets are \$20; free for anyone under 17.

Choose to volunteer during your registration and receive a refund of your ticket price at the show!

Apply for AOPA scholarships

More than \$1 million in scholarships available

The financial constraints of an aviation education shouldn't prevent prospective student pilots or aviation enthusiasts from pursuing their dreams. Through the generosity of member donations, the foundation aims to relieve the financial burden of education and training—offering dozens of scholarship packages annually ranging from \$2,500 to \$14,000.

One notable example is the high volume of scholarships offered for flight training courtesy of the Ray Foundation, founded by and named for aviator, philanthropist, and entrepreneur James C. Ray. These scholarships each include a \$10,000 award for the purpose of obtaining a private pilot certificate. Eighty scholarships are allocated for high school students and up to 20 for high school educators who use the AOPA Foundation [You Can Fly High School Aviation STEM Curriculum](#).

Other fantastic scholarships to keep on your radar include the Landsberg Endowment Scholarship – Aviation Maintenance and Avionics for those interested in pursuing an aviation maintenance technician certificate, and the Edward B. Shafer Future of Flight Scholarship for those interested in pursuing a career in aviation (including aerospace engineering, professional pilot, aircraft maintenance, airport management, or another avenue).

The 2023 scholarship window opened September 5, and applications will be accepted through February 10 at 11:59 p.m. Eastern time. This year AOPA has made it easier than ever to apply, moving to one streamlined application. All applicants must be a member of AOPA, and student pilots, youth, and military personnel are eligible for a free AOPA membership. Check out our [website](#) for more details and to see which membership package is the best fit.

And visit our 2023 AOPA Foundation [scholarship page](#) for the full scholarship list, FAQs, and the application. <https://www.aopa.org/training-and-safety/students/aopa-flight-training-scholarships>

J P's Barbecue Ribs, Columbus, OH (KTZR)

Nice little BBQ place right on the airport next to the FBO.

**Red Shed BBQ and Benny's Pizza,
Marysville, OH (KMRT)**

Just a mile from KMRT is both the Red Shed BBQ and Benny's Pizza. Great food at either location. Benny's features live bands every Friday night Wednesday through Saturday until Labor Day. Super food, well maintained airport.

Mackinac Island Airport, Mackinac Island, MI (MCD) If you fly in no where else in Michigan, this is the one place you have to go! We take friends and family several times per year. The airport is about a mile walk into town through the woods on paved roads, though there are no cars on the island! Just horse drawn wagons and buggies. Yes, very touristy, but very unique and well worth spending a day walking, hiking, renting bikes, eating, shopping, taking in wonderful views! No fuel at this state-run airport, but the airport office/terminal is new and first class. Eat at Millie's on Main if you want to go where the local's eat. Good food at fair prices

Le Relais Restaurant, Louisville, KY (KLOU) Bistro Le Relais is known as the best French restaurant in the area. Anthony Dike also has built an incredible wine list, achieving several Wine Spectator awards. You can park on the ramp right behind the restaurant and walk in. Great for special occasions.

This newsletter goes out to the EAA Chapters in Ohio, Indiana, West Virginia, Kentucky, Michigan, and Pennsylvania. It also goes out to the FBO's in those states. So if you are planning to host an event and would like to get the information out there, this is one of the places to do so. There is NO cost to advertise your events or your Airport Restaurant.

We would like to put your events or happenings in the Ohio Region Chapter Newsletter. So please feel free to get the article to me about a week before the end of the month. This way it can be included in the following month's newsletter. If you have an interesting story you want to share, send it. We like those feel good stories also. Let us know about those restaurants that are located on or near an airfield. This way pilots will know of a good place to fly to for those \$ 100 hamburgers.

If someone from your Chapter, or on the airfield has a plane, parts or tools they want to sell or give away let us know. It can be included in the newsletter. There is NO cost for this.

If you do not have time to draft an article and would like for me to visit your website / Facebook page and gather my own "intel" for an article please let me know.

Be sure to let me know if there is a different person that I should reach out to for an article. Or if there is someone else who should receive the newsletter to distribute to your Chapter members.

Please share this with your fellow Chapter members, aviator friends and your local FBO's. You never know who would be interested in one of the articles/events in the newsletter. Or if you received this from a friend and would like to receive it directly, please let me know.

Send in your comments as to what you would like to see in the newsletter. We like those human-interest stories, especially those with pictures.

Send articles for the December newsletter to me by NovemberOctober 25th if possible. Email them to Daford1957@gmail.com

Thanks again and enjoy the newsletter.
