As always, Some News from National.

2022 Airventure dates are 2022: July 25 - July 31

July 31, 2021 – Thanks to the support of Sonex Aircraft, we're excited to announce the return of the One Week Wonder for AirVenture Oshkosh 2022. Starting on Sunday, July 24, at 8 a.m., a group of volunteers will build a Sonex Waix, to be completed and ready to taxi one week later, on Sunday, July 31.

“The One Week Wonder event brings excitement and enthusiasm to others in the community by showing what it looks like and feels like to build an aircraft from a kit,” said Charlie Becker, EAA’s director of chapters and homebuilding.

Just as it has in previous years, the One Week Wonder build in 2022 will provide an excellent opportunity to show the world that anyone can build an airplane. Attendees will have the chance to pull a rivet, and have their photo taken as a souvenir.

August 3, 2021 – Comment from EAA CEO and Chairman Jack Pelton:

“This was perhaps the most challenging set of circumstances we’ve ever faced as an organization to make the event happen. I could not be more proud of our volunteers, staff, and participants on the way they came together to exceed our expectations and make AirVenture 2021 a truly memorable experience.”

Attendance: Approximately 608,000 – Only the third time attendance has surpassed 600,000 and within 5 percent of 2019’s record total. Comment from Pelton:

“We went into this year not knowing what AirVenture would look like and how big of an event was possible. The aviation community spoke loudly, though – it was ready to come to Oshkosh and we were happy that we could

welcome them. Our theme was 'The Wait is Over,' and indeed it was. And the wait was worth it. There was joy and excitement throughout the grounds and it set the stage for the return of AirVenture, making us very excited for the future."

Total aircraft: More than 10,000 aircraft arrived at Wittman Regional Airport in Oshkosh and other airports in east-central Wisconsin. At Wittman alone, there were 16,378 aircraft operations in the 10-day period from July 22-31, which is an average of approximately 116 takeoffs/landings per hour when the airport is open. **Total showplanes:** 3,176 included: A record 1,420 vintage aircraft registered, plus 1,089 homebuilt aircraft, 354 warbirds, 148 aerobatic aircraft, 112 seaplanes, 33 ultralights, and 27 rotorcraft.

Camping: More than 12,000 sites in aircraft and drive-in camping accounted for an estimated 40,000 visitors.

Volunteers: More than 5,000 contributing in excess of 250,000 hours.

Commercial exhibitors: 747.

Forums, Workshops, and Presentations: A total of 1,055 sessions hosted throughout the week.

Social Media, Internet and Mobile: More than 18.95 million people were reached by EAA's social media channels during AirVenture, with engagement of 1.08 million; EAA video clips during the event were viewed 3.48 million times.

International guests: Despite travel restrictions that greatly limited the number of attendees from other nations, EAA still welcomed visitors from 66 countries during the week.

The Gathering shines: The EAA Aviation Foundation's annual event to support its aviation education programs attracted more than 500 people and raised more than \$1.7 million dollars that will be focused on EAA's mission of growing participation in aviation.

Media: 567 media representatives on-site, from four continents.

Economic impact*: \$170 million for the five counties in the Oshkosh region (Winnebago, Outagamie, Fond du Lac, Calumet, and Brown). * - based on 2017 University of Wisconsin Oshkosh economic impact study **What's ahead for EAA AirVenture Oshkosh 2022? (July 25-31, 2022) Comment from Pelton:**

"Planning is well underway for next year's event, including discussions during AirVenture 2021 about possible features and attractions for 2022. We also look forward to welcoming more international visitors next year to return AirVenture to a truly global reunion. In the next few months, we will be finalizing highlights in all areas to make the 69th EAA fly-in convention the World's Greatest Aviation Celebration."

Information updates posted at [EAA.org/AirVenture](https://www.eaa.org/AirVenture).

As you can see, we had an awesome year at Airventure this year. This was in spite of COVID traveling restrictions with many countries. Be sure to make plans to attend Airventure 2022. Also be sure to check EAA's website and check out the stories and pictures from this year's event. It was great to be back in Oshkosh this year. Getting to spend time with those I consider 'family' rather than just friends, time with old friends. The atmosphere of being back was awesome. Then when it was time to return home, it was with sadness in having to leave Oshkosh and those that are like 'family'.

Sign up for your free AeroEducate account and gain access to an abundance of aviation-themed activities, projects, resources, and experiences designed to inspire a passion for aviation and put careers in aviation within reach. This site is currently in beta for testing. <https://www.aeroeducate.org/>

LODA Reform & Ultralight Training Expansion

What's a LODA - A LODA is like a streamlined exemption that allows you to deviate from the FARs in certain cases. In this case, the LODA is a deviation from 14 CFR 91.319(a)(2), which prohibits "carrying persons or property for compensation or hire" in an experimental aircraft.

How do I get a LODA? - Per the FAA policy, you must send an email to 9-AVS-AFG-LODA@faa.gov with the following information:

- Name
- Address
- Email address
- Pilot certificate number
- Flight instructor certificate number (if applying as a CFI)
- Aircraft registration number (if applying as an owner)
- Aircraft make/model in which you will receive or provide instruction
- Aircraft home base airport (if applying as an owner)

EAA is working to bring back available and affordable instruction in low mass/high drag aircraft, the vast majority of which are former two-seat ultralight trainers now certified as Experimental-LSA.

Current regulations reduced the number of aircraft and instructors available for flight training from 3,200 in 2000 to around 50 today. We are working to correct this problem through a combination of exemptions, letters of deviation authority (LODAs), and rulemaking.

For more information and to view some of the questions please go to <https://www.eaa.org/eaamembership/government-advocacy/top-aviation-issues/experimental-limited-and-primary-category-aircraftflight-training-faqs>

VIRUS Alert: Know before you go.

Before attending or traveling to any destination or event listed, be sure and email or call ahead to see if the event or destination is open and/or available. Be safe and healthy.

Please check out our Facebook page for the latest up to date information

<https://www.facebook.com/groups/2221359754604751/> Our Board has been meeting & social distancing.

Locations of our meetings will be posted on the website and on our Facebook page. Our Chapter dues are \$ 10.00 year. Make checks payable to EAA Chapter 1625. Checks can be mailed to EAA Chapter 1625 P.O. Box 476 Chillicothe, OH 45601. Please include your EAA member #

Our new website is up and running. The direct link is <https://chapters.eaa.org/eaal625>

James A Rhodes Airport I 43

EAA Chapter 1625 will be cooking breakfast! Come out and support us and the Airport.

EAA Chapter 1629 Marysville, OH Union County KMRT

Currently meetings are on hold, but we hope to start having a few with the social distancing. The Board has been meeting and have made some tentative plans. We are hoping that the COVID-19 restrictions will lift, and we can finalize them.

With all these events going on now would be a good time to renew with the chapter if you have not already done so. You can renew your membership in one of three ways:

1. To renew your membership with a credit card or PayPal go to the following link: <https://eaal629.org> and click the Join or Renew link on the left.
2. Mail a check for \$10.00 made payable to The Marysville EAA Chapter 1629 to Marysville EAA Chapter 1629 760 Clymer Rd. Marysville, OH 43040
3. Bring a check for \$10.00 made payable to the Marysville EAA Chapter 1629 or \$10.00 cash (Correct Change preferred) to any of the Marysville EAA 1629 functions.

HELP

On August 21, 2021 EAA Chapter 1629 will hold a Young Eagles Rally at the Marysville Union County Airport. EAA National is requesting that Chapters Start using <http://youngeaglesday.org> to register kids, pilots and ground crew. Eventually this will be a requirement from EAA National that all Young Eagle events us this. By using this online registration the kids info gets to EAA National faster and the kids get their student memberships faster. EAA Chapter 1629 will utilize this registration for the August 21, 2021 Young Eagles Rally at Marysville.

The Young Eagles Rally info is as follows:

Airport: Union County Airport
Date: August 21,2021
Chapter: EAA 1629

Event: Marysville, Ohio - Young Eagles Rally
Time: 9:00 am - 1:00 pm
Kids: 8 – 17 years of age

For those interested in helping with the Young Eagles Rally on the ground crew please sign-up for this event by going to <https://youngeaglesday.org> and either login to your existing id or select "Sign Up" to register as a ground volunteer. Also send an email to MarysvilleEAAChapter@gmail.com saying that you will be helping on the Ground crew for the Young Eagles Rally.

For those interested in being a Young Eagles Pilot during the Rally please sign-up for this event by going to <https://youngeaglesday.org> and either login to your existing id or select "Sign Up" to register as a pilot. Also send an email to MarysvilleEAAChapter@gmail.com saying that you will be a pilot for the YE Rally.

Below is additional information about being a pilot for the EAA Young Eagles program.

Young Eagles Pilot requirements:

Click the above link for the Pilot Guidelines brochure but, in general they are:

- Be a current EAA national member and hold an appropriate airman certificate (sport pilot or greater)
- Possess a current medical certificate (if applicable)
- Be current to carry passengers in the aircraft you plan to use
- Have a current flight review
- Conduct flights in an aircraft that is airworthy
- Have aircraft passenger liability insurance (min \$100,000 liability) for the aircraft used (owned, rented, or borrowed)
- Adhere to all applicable Federal Air Rules (FARs)
- Complete the EAA Youth Protection Policy, which includes a short training session and background check. (Please complete a week before the event)
- Complete the Young Eagles registration form before the flight, signed by you and a parent or legal guardian.

Registration is currently open for kids 8 – 17 to sign up for the August 21, 2021 Marysville EAA Chapter 1629 Young Eagles Rally at KMRT on <https://youngeaglesday.org>. Parents or guardians must be present at the Young Eagles Rally to sign a waiver.

Also, don't forget that August 12th, 13th and 14th is the All Ohio Balloon Festival at the Marysville Union County Airport. Info regarding the All Ohio Balloon Festival can be found at <http://www.allohioballoonfest.com/>.

Please visit <http://eaa1629.org> for all the latest updates regarding the chapter.

Our Facebook page can be found at <https://www.facebook.com/MarysvilleEAAChapter1629/>.

THE 2020 WACO FLY-IN WAS A GRAND SUCCESS!

JOIN US IN 2021 FOR MORE FUN!

THE 2021 FLY-IN IS SEPTEMBER 17, 18 & 19, 2021!

SEE YOU THERE!

WACO Bi-Plane Rides

Contact: Eric Combs, Museum Op. Mgr. 937-335-9226

It's been quite a challenging year. But, as ever, WACO stands strong. I wanted to quickly introduce myself and give you an update on the WACO Air Museum and coming events. I have replaced Gretchen (she gets to retire but will be around as a volunteer). My background is retired Air Force and then did some stints in Education and Law Enforcement training.

Events: International Harvester Scout Show is on for Aug 13 – 15th.

Fly-In is on for Sep 17 – 19, 2021. A flyer will be sent out soon for more details.

Updates: The Learning Center is going strong with the many courses and summer camps. The Aviation Cadets are rebuilding a PA 122-35 Tri-Pacer. We have Drone Camps currently on and will finish the season with a "Fun with Aviation" for 1 – 3rd graders.

The Museum is currently hopeful of a couple of grants to update and enhance the experience that our guests will have (increasing video, visual and other aspects of the collections).

Once the fly In is complete we will be working on updating memberships to increase awareness in our plans, programs and events.

or order your certificate at www.wacoairmuseum.org

OHIO AIR & SPACE HALL OF FAME AND MUSEUM

The OAS, Moody Nolan (our architect), and our partners could not be more excited to share this spectacular look into the future of this historic national landmark, located at John Glenn International Airport. Please share this invitation with your family and friends.

The Ohio Air & Space Hall of Fame and Museum thanks you for your support!

Vintage EAA Chapter 22

ZZV Zanesville, OH

To EAA Chapters and Members

Let us introduce ourselves. We are Vintage Chapter 22 in Zanesville, OH. We are a small group but we can put on a super Fly-In!

We are now planning our fall Fly-In for the 25th day in September 2021. Our Chapter is asking for volunteers the day before, the day of and the day after the Fly-In. We are also asking for volunteers to help with the Ford TriMotor Tour. We are always seeking new members. Our meeting dates are the second Saturday of the month at 6:30 PM at the Zanesville Municipal Airport, Hangar H. Please feel to drop in for a meeting to see what we are all about. We are sure you will enjoy your time with us.

Thank You

John Morozowsky, President

Save the Date!!!

September 25th

EAA Vintage Chapter 22 Fly In / Car Show

Zanesville, OH / ZZV It

will be another great event to attend!

September 20 - September 27, 2021 | Zanesville, OH United States

Book your flight [Flight Registration \(eaa.org\)](https://www.eaa.org)

Flights run continuously throughout the day (Thursday 2-5PM, Friday through Sunday 9AM-5PM).

Please check-in with our crew onsite as early as possible on the day you wish to fly. Contact a Membership Services Representative at 1-800-359-6217 with any questions.

More great food! Planes! Cars!

EAA Vintage Chapter 22

Also, Barnstormer extraordinaire Dewey Davenport will be in attendance. Biplane rides will be available. If you have never rode in a biplane, I highly suggest that you come out and get one. The feeling of flying free is awesome.

**Aug 12-14
Union County Airport
Marysville, Ohio**

(All Ohio Balloon Festival)

It's Scholarship Time!

The 2022 WAI scholarship program officially opens today. Members are encouraged to visit www.WAI.org/scholarships and review dozens of scholarships that fit your aviation interests.

Currently there are 98 scholarships totaling \$479,505 offered for flight training, engineering, maintenance, dispatcher, drones, and professional development for individuals in all stages of life.

Applicants are encouraged to check for new scholarships often and may apply for up to three scholarships per year. In order to qualify for a scholarship, the applicant must be a WAI member as of October 1, 2021. The deadline for 2022 applications is Tuesday, October 12, 2021.

In 2021, WAI awarded 149 scholarships valued at \$731,805. This total includes 47 scholarships awarded through a \$250,000 Conrad N. Hilton Foundation grant. The total amount of scholarships awarded by WAI since 1995 is more than \$14.5 million.

The 2022 scholarships will be awarded during the [33rd Annual International Women in Aviation Conference](#) in Nashville, Tennessee, from March 17-19, 2022.

David Resler has a speaker from the Fort Wayne Police Dept. coming to talk to us on Aug, 12—Featuring FWPD Drone operations. Thanks David—it should be very interesting. This will be held in the old FBO building at Smith Field at 7:00 pm .

Sat. Aug. 14— EAA 2 Young Eagles Rally – Aug Hangar 2 at Smith Field - 9:00 AM

Things are starting to awaken from a long hibernation...

Young Eagles Rally - Mark your calendar for **Saturday, August 14th (time TBD)**. We are aiming to give 30 rides at this event. If you are a pilot and meet the requirements put forth by the EAA including the youth protection program ([link here](#)), please consider contacting [Mark Powell](#), who serves as the chapter's Young Eagles coordinator, and pledging your availability. Also consider giving a youth a Young Eagle flight anytime the opportunity presents itself. The necessary materials, including the all-important waiver, are available in plastic file drawers in the clubhouse on State Street.

Pancake Breakfast - A variety of factors has led to the decision to reschedule the pancake breakfast for **Sunday, October 3** which is a syrupy way to stack the date neatly between football Saturdays.

From the Light at the End of the Tunnel Category - Now that we are starting up a Saturday morning coffee and donuts routine, I like to see these morph into a mini-flyout to other EAA chapters as the opportunity arises.

International Women's Air & Space Museum

The team at the International Women's Air & Space Museum has been working behind the scenes to revamp our programs and offerings, to ensure that we continue to inform, educate, and inspire. This process includes planning for all scenarios to eventually welcome people back for in-person events, and plan for our continued collections preservation projects. Beginning the week of March 15, the museum will reopen to visitors. We believe it is our responsibility to do so in a measured and responsible way.

All visitors to the Burke Lakefront Airport are required at all times to wear masks that cover both their nose and mouth. If you do not have a mask, the museum has some for purchase both in the online, and at the instore gift shop. Hand sanitizing stations are regularly supplied and available throughout the building. The museum staff regularly disinfects high touch surfaces throughout the day, such as interactive exhibit elements. We are limiting the total number of individuals to enter the gift shop at any given time, and we are following all new information provided by the CDC and State of Ohio Department of Health. If you plan to visit the museum, please continue to self-monitor and if you feel ill, please stay home, and visit us at another time. At this time, the museum will not host in-person events. However, we welcome all to participate in our upcoming virtual programs.

For questions, please call 216.623.1111 or email us at info@iwasm.org.

Stay safe. Stay healthy. Mask up. We are in this together! If you are in need of a mask, we are selling some! With a big thanks to museum advisor, Teresa, we have three different patterns to choose from. Pictured is our

Rosie print.

Hot air balloons and planes also available. Quantities are limited.

SPACE: A Journey to Our Future
January 28 - September 6, 2021

The Beauty of Space
February 26 - September 26, 2021

Mask Mandate Update! If you are fully vaccinated (meaning it is two weeks past your final dose) you no longer need to wear a mask at the National Museum of the U.S. Air Force™!

Those who are not fully vaccinated must continue to wear masks inside the museum.

Visitors will not be asked by museum officials to prove their vaccination status, and those who wish to continue wearing masks may still do so. In addition, cleaning procedures, sneeze guards at volunteer and cashier desks, and hand sanitizer stations will remain in place throughout the museum.

*Sally's Family
Restaurant
& Whatta Pizza*

103 N Charles St. [White Cloud, MI](#) [White Cloud](#) (42C)

Sally's family restaurant was a great mom and pop style comfort food. Only a 1/4 mile walk south of the airport on the same street the FBO is on. <http://www.sallyswhattapizza.com/>

White Cloud has a beautiful new FBO. Had great bathrooms and nice pilot planning room. also had self serve 100LL

Pancake Breakfast!**

Custom U.S. Aeronautical Chart Apron

<https://www.chartitall.com/>

A boy's dream, an aeronautical chart, and a bit of creative magic united in 2015 to create Chart it All. Trevor Simoneau, 15, is a student pilot. In 2015, Trevor crafted a plan to finance his future education at Embry-Riddle Aeronautical University and the cost of AvGas with custom, one-of-a-kind shirts printed with aeronautical charts. Trevor is an IB Sophomore at DeLand High School and president of Aviation Explorers 747, a club dedicated to inspiring kids of all ages interested in all aspects of aviation. He also works as an aviation news reporter for Sun 'n Fun Radio.

Today, his small family business offers distinctive clothing and gifts with your choice of aeronautical sectional charts.

Your purchase goes a long way to fuel his dream. Check out the website for all kinds of aviation items that would make fantastic gifts for Christmas or a birthday. Trevor is a little older now, but still has some great ideas!

They now have Sectional Chart Face Masks and Custom U. S. Aeronautical Chart Face Masks! Also new are Custom Aeronautical Chart Pocket T-Shirts!

Branch County Memorial (OEB)

Great little restaurant right on the field just nex to the gas pump Very friendly people, good food and good prices..The fuel prices were very reasonable....this would make a great pit stop on the way through...

The Corsair Cafe, Terre Haute, IN

KHUF

Restaurant is in the airport terminal. Try one of their signature selections and see what everyone's talking about. Facebook: <https://www.facebook.com/corsaircafe> Click on ORDER to see the full menu

This newsletter goes out to all EAA Chapters in Ohio, Indiana, West Virginia, Kentucky, and Michigan. It also goes to a lot of the FBO's in those states also.

So, if you are planning to host an event and would like to get it out there, this is a place to do so.

If you are a Chapter that would like an article published in the Ohio Region Chapter Newsletter, please feel free to submit an article to me. Also, if you are a manager of an airport / FBO we would like your articles also. Tell us about an event that is going to take place at your airport, a great restaurant that is on the airfield for those pilots that like those \$100 hamburgers.

A great place to visit that is close to the airport where you have a courtesy car or that they are willing to pick up visitors and take them to the location.

If you are a local chapter and are willing to transport visitors of your airport to a local event that is great. Let us know and we can post it here. Afterall, EAA is known for its hospitality.

If someone from your Chapter has a plane, parts, or tools for sale we can include it here.

If you do not want to write an article and would like for me to visit your website / Facebook page and gather my own 'intel' for an article, let me know.

Be sure to let me know if you have a different person that will be sending articles or to receive the newsletter to distribute to your Chapter members.

Please share this with your aviator friends.

I will be starting a comment section so please send your comments as to what you would like to see from Chapters and FBO's.

Thanks to all who sent me an article! Also, even if you do not have an event to talk about or an upcoming event to let us know about, a human-interest article with pics is also welcome. We love to hear about your members. Also please start thinking about the September newsletter. I would like the articles for it by Augustst.

Send those articles or stories to me at Daford1957@gmail.com

Thanks again - Darlene Ford
