Space Shuttle Commander Hoot Gibson Headlines Wright Brothers Memorial Banquet

October 14, 2021 – Robert “Hoot” Gibson, a five-time space shuttle flight veteran whose aviation background ranges from military jets to air racing, is this year’s featured guest at EAA’s annual Wright Brothers Memorial Banquet on Friday, December 17, at the EAA Aviation Museum.

[Tickets for the event](#) are currently available at the EAA Aviation Museum website. Attendance is limited to 350. Gibson’s space experiences are unique, as he flew aboard four of the five active shuttles (Columbia, Challenger, Endeavor, and Atlantis) and totaled more than 860 hours in space. Gibson’s final mission, when he commanded STS-71 in Atlantis in 1995, was a historic first-time docking of the shuttle with the Russian Mir space station. Gibson also served as chief of NASA’s astronaut office in 1992-94 and deputy director of flight crew operations in 1996 before retiring from NASA.

Along with Gibson’s space exploits, he has a long list of aviation accomplishments that include flying carrierbased combat missions for the U.S. Navy in Southeast Asia, graduation from “TOPGUN” Naval Fighter Weapons School, and more than 300 carrier landings. Gibson also has an extensive recreational aviation resume, ranging from racing at the Reno Air Races to building and flying his own aircraft. He was enshrined in the National Aviation Hall of Fame in 2013.

EAA’s annual Wright Brothers Memorial Banquet honors the Wright brothers’ successful flights at Kitty Hawk, North Carolina, on December 17, 1903, that began the era of manned flight. Tickets for the event are \$65 for EAA members and \$85 for nonmembers. Doors open on December 17 at 5 p.m., with the dinner starting at 6:30 p.m.

Weekly and daily admission tickets for the 69th edition of EAA AirVenture Oshkosh, EAA’s annual fly-in convention, are now available online for the event at Wittman Regional Airport in Oshkosh, Wisconsin, on

July 25-31, 2022. Additional special offers and advance purchase parking passes will be available in the coming weeks.

“While we are still creating the schedule of programs, features, and attractions that will be at Oshkosh in 2022, aviation enthusiasts are already setting their plans to join us on the flightline,” said Rick Larsen, EAA’s vice president of communities and member programming, who coordinates AirVenture features and attractions. “We hear from numerous families who make AirVenture tickets part of their holiday gift planning.”

Again in 2022, all attendees ages 18 and under are admitted free, supported in part by The Boeing Company. In addition, EAA members who purchase admissions prior to June 15, 2022, are eligible to receive their admission wristbands in advance via the Express Arrival program. Early purchase discounts are also available on both daily and weekly admissions. While admissions are available at the gate, early online purchase gives the best discounts, options for faster entry to the grounds, and additional information and insights prior to the event.

Vintage Aircraft Association's Chapter 22 - Antique and Classic

Located in Zanesville, Ohio, EAA Vintage Chapter 22's mission is to keep grassroots aviation alive through events, activities, meetings, and educational opportunities for people of all ages. Events include an annual FlyIn, Drive-In, Car Show held on the last Saturday of September. Activities include adventures to various aviation-related activities throughout Ohio. Meetings are held the second Saturday of every month. Finally, educational activities include club projects that allow people to get hands on experience with restoring an airplane from start to finish. We have also recently acquired a flight simulator to use for educational purposes as well.

We are planning some great events for 2022. Be sure to join our Chapter!

Ernie's Restaurant, South Boston, VA (W78)

Located about a 5 minute drive from W78. This place is flying below the radar right now and unless you know it's there, you will miss it. Fly-in traffic is welcomed. Just give Ernie's a call once you get on the ground and they will be happy to transport you to and from their restaurant.

Very friendly and welcoming staff. Quite a few pilots have and continue to fly in for a stop at Ernie's. Good home cooked buffet style restaurant as well as menu items. W78 has a 4000' paved runway as well as a 2000' grass strip along with self serve avgas

International Women's Air & Space Museum

The team at the International Women's Air & Space Museum has been working behind the scenes to revamp our programs and offerings, to ensure that we continue to inform, educate, and inspire. This process includes planning for all scenarios to eventually welcome people back for in-person events, and plan for our continued

collections preservation projects. Beginning the week of March 15, the museum will reopen to visitors. We believe it is our responsibility to do so in a measured and responsible way.

All visitors to the Burke Lakefront Airport are always required to wear masks that cover both their nose and mouth. If you do not have a mask, the museum has some for purchase both in the online, and at the in-store gift shop. Hand sanitizing stations are regularly supplied and available throughout the building. The museum staff regularly disinfects high touch surfaces throughout the day, such as interactive exhibit elements. We are limiting the total number of individuals to enter the gift shop at any given time, and we are following all new information provided by the CDC and State of Ohio Department of Health. If you plan to visit the museum, please continue to self-monitor and if you feel ill, please stay home, and visit us at another time. At this time, the museum will not host in-person events. However, we welcome all to participate in our upcoming virtual programs.

For questions, please call 216.623.1111 or email us at info@iwasm.org.

Stay safe. Stay healthy. Mask up. We are in this together! If you are in need of a mask, we are selling some! With a big thanks to museum advisor, Teresa, we have three different patterns to choose from. Pictured is our

Rosie print.

Hot air balloons and planes also available. Quantities are limited.

Visit <http://www.eaa67.org/> if you need directions. Headsets for sale

I don't often send an email for items for sale, but with Christmas coming up, I thought this would be a good one. I know the family who have these. We did cub scouts together years ago! The young man did some flight training with me but then joined the Marines three years ago before he got to solo.

I understand these are brand new David Clark Model H10-60 headsets and is asking \$250 each. I suspect he got them but never used them before enlisting. You can't go wrong with David Clarks. I still use mine that I bought in 1989 when I started instrument training (primary training back then typically used the overhead speaker and yelling). FOR SALE FISHER CELEBRIY PROJECT \$5000.00 or best offer

I am offering for sale my Fisher Celebrity project. I purchased my kit 1991 for Fisher when it was owned by Gene Hansen in Edgely ND. Signify health issues have prevented me from finishing this project. All of the major components are finished. This includes the fuselage, wings and tail feathers. MATCO master brake cylinders are located in the rear cockpit. There is sufficient Superflight fabric to cover the aircraft.

There is no engine or engine mount.

Also, I have several Corvair blocks, heads, 3 three crankshafts that have been turned and nitrated, one set of Sealed Power cylinders and pistons (0.40 Over) and parts that I wish to sell.

The project is located at Moraine Airpark (I73), Moraine OH, just south of Dayton.

Contact Robert Luken, rpluken@earthlink.net or 937-602-7418 voice or text. I generally don't answer from number that I don't recognize, so please a leave a voice mail message.

In case you are wondering about it. Here is a picture of one. Cute plane!

EAA Chapter 2 - Promoting Sport Aviation Since 1956!

Liberty Aviation Museum, Port

Clinton, OH (PCW)

The Liberty Aviation Museum and The Tin Goose Diner are located next to the Erie-Ottawa International Airport KPCW Carl R. Keller Field. The museum opened in July 2012 and the restored 1950s diner, The Tin Goose Diner grand opened Labor Day weekend in 2012. For hours on the museum or diner, please visit our website or call us for s. Our hours do vary throughout the year and in the event of inclement weather, we will announce on our Facebook/Twitter pages of closures. Please follow us on Facebook or Twitter to hear of extended hours for the summer or shortened hours for fall/winter. There is a small fee to tour the museum.

The Liberty Aviation Museum is home to Georgie's Gal, a B-25J Mitchell WWII bomber built in 1945 also recently restored. The B-25 is currently back on display. Some of the display/ground vehicles include a 1941 Dodge ambulance, 2 WWII Willy's Jeeps, a German 37mm AA gun, German Horch Truck, German Field Kitchen, German Kubel, 3 BMW Motorcycles, Tiger Tank Replica, Hetzer Tank Replica, Panther Tank Replica, 2 WWII PT boats under current restoration. PT-728 is on display at the museum during restoration. The museum's recent acquisition of a 1928 Ford Tri-Motor City of Wichita/City of Port Clinton is currently on tour with EAA offering flight experiences throughout the year. Please note that not all vehicles and visiting aircraft/watercraft are on display. If traveling out to see a specific item, please call to verify. Our displays include WWII weaponry and uniforms and more local history from the Tri-motor heritage foundation in the gallery.

Follow our pages below for more info on our events, specials, and to follow the PT-728 Thomcat's restoration! If you are interested in seeing the museum when flying in: we have limited parking behind

our hangar for small aircraft as long as no special events are going on. Larger planes and if the ramp is full or a special event is going on, guests can park at the airport. Shuttle service is available. Either radio in to FBO as taxiing in or call the museum and inquire about a shuttle. Prior to parking behind the museum on the ramp, please radio to FBO and verify ramp is open. At times, we do close our ramp to accommodate for special events. Any questions? [FunPlacesToFly.com](https://www.funplacestofly.com) is a one man labor of love. Launched back in 2004, in the hopes of promoting Aviation, providing information on great places to fly, the latest aviation events, articles on shooting your own videos and a wide variety of related videos. **With your help and patronage, we will be able to do even more!** <https://www.funplacestofly.com/default.asp> check this site out. There is something in every state!

Wishing you and your families a very Merry Christmas.

This newsletter goes out to all EAA Chapters in Ohio, Indiana, West Virginia, Kentucky, and Michigan. It also goes to a lot of the FBO's in those states also.

So, if you are planning to host an event and would like to get it out there, this is a place to do so.

If you are a Chapter that would like an article published in the Ohio Region Chapter Newsletter, please feel free to submit an article to me. Also, if you are a manager of an airport / FBO we would like your articles also. Tell us about an event that is going to take place at your airport, a great restaurant that is on the airfield for those pilots that like those \$100 hamburgers.

A great place to visit that is close to the airport where you have a courtesy car or that they are willing to pick up visitors and take them to the location.

If you are a local chapter and are willing to transport visitors of your airport to a local event that is great. Let us know and we can post it here. Afterall, EAA is known for its hospitality.

If someone from your Chapter has a plane, parts, or tools for sale we can include it here.

If you do not want to write an article and would like for me to visit your website / Facebook page and gather my own 'intel' for an article, let me know.

Be sure to let me know if you have a different person that will be sending articles or to receive the newsletter to distribute to your Chapter members.

Please share this with your aviator friends.

If you would like to receive your own copy of the Newsletter please let me know.

I will be starting a comment section so please send your comments as to what you would like to see from Chapters and FBO's.

Also, if you would like to be added directly to the mailing list, please send me an email.

Thanks to all who sent me an article! Also, even if you do not have an event to talk about or an upcoming event to let us know about, a human-interest article with pics is also welcome. We love to hear about your members. Also please start thinking about the January newsletter. I would like the articles for it by December 27th. Send those articles or stories to me at Daford1957@gmail.com

Thanks again - Darlene Ford
