Our Chapter dues are \$ 10.00 per year. Checks (made out to EAA Chapter 1625) can be mailed with your information such as Name, address, email, phone, EAA National #, aviation interests to Darlene Ford 2776 Kenilworth Rd. Columbus, OH 43219.

Our next meeting is September 14th. We welcome everyone. The meeting starts at 9:00 AM. You can email us at FirstCapitalAviators@gmail.com or call us at 614-557-1170.

We were fortunate to be able to host the EAA's Ford Trimotor August 22-25. We had a great turnout for the event. Volunteers were in abundance. Gave everyone a chance to get a ride on the Ford even. We are missing one volunteer in this picture though. Mary Lou (Our First Lady) had already left when we got the chance to get the picture. We were quite busy with the Tour Stop. Gary Baker from Wadsworth was our Pilot for this Stop. Jim and Anita Heinzelman from Wisconsin were our Tour Coordinators. We had the best time with these 3. There was a lot of laughing and joking going on. Our patrons loved it. Tommy Wright brought his son over and they helped with the Ford. A little different from helping with biplanes. They both got to fly to the right seat. So now Colton's first logbook entry is time in the right seat of a Tri-Motor! A huge thanks to our volunteers – President Bob Anderson, Vice President Don Lewis, Treasurer Joe Sattler, myself, Secretary Darlene Ford, Board member Kristi Sattler, Ed Chinn, Mark Hendershot, and Mary Lou Anderson. Mary Lou even 'interviewed' a few people after their flight. It was a very enjoyable time for all.

If you did not make it out, you really missed a good one. Duke Baxter even came over and took a ride.

A relatively new business called Chillicothe Coffee even came out to join in the fun. The beverages were wonderful!

I want to give a huge shout out to TRM Aviation. Located at Ross County Airport (KRZT). Without them we would not have had such a success hosting the Ford Tri-motor. They were there when we needed them to fuel the plane. When we needed to pull the plane out of the hangar and to put it away. They graciously allowed us the use of their wonderful hangar. Then allowing us to put up two canopies on the grass for 4 days. Having people all over the grass. They were awesome. We thank you for your wonderful hospitality. Without you it would have worked so well. Thanks, from EAA Chapter 1625.

Our next meeting is September 14 at Zanesville Municipal Airport (ZZV). We start gathering around 5 to talk and have some refreshments. The meeting will start at 6:00 PM. All are welcome to attend. Come on out to see what we do and hopefully you will join the Chapter. You do not have to fly Vintage Aircraft or even be a pilot to join. Please think about coming out to join us. We are an aviation friendly club where there are no strangers. At our September meeting we will be finalizing the September Fly In details.

Just a reminder, you do not have to pay dues to be a member of EAA Vintage Chapter 22 any longer. Also, if you do not have an email address on file to receive the newsletter 'Tailwinds' and would like to, please send me an email at DAFord1957@gmail.com

The WACO Aircraft Company was the largest manufacturer of civil aircraft in the country in the late 1920's and early 30's and this museum is dedicated to the plant and the employees that made it great.

With the help of the WACO Historical Society (founded in 1978) members and many generous donors and supporters, Historic WACO Field opened in 1997. The field consists of a 77-acre site and features a 2200-foot runway (2000 feet usable) south of Troy, Ohio. Historic WACO Field is maintained by WACO volunteers and is constantly receiving upgrades and improvements, but we are always in need of additional volunteers to assist in the upkeep of the site.

If you have pictures of your events and would like to share them, please send them to me along with a write-up! Let others know what you are doing.

This newsletter goes out to the EAA Chapters in Ohio, Indiana, West Virginia, Kentucky, Michigan, and Pennsylvania. It also goes out to the FBO's in those states. So, if you are planning to host an event and would like to get the information out there, this is one of the places to do so. There is NO cost to advertise your events or your Airport Restaurant.

We would like to put your events or happenings in the Ohio Region Chapter Newsletter. So please feel free to get the article to me about a week before the end of the month. This way it can be included in the following month's newsletter. If you have an interesting story you want to share, send it.

If someone from your Chaptaway, or on the airfield has a plane, parts, or tools they want to sell or give away let us know. It can be included in the newsletter. There is NO cost for this.

Please share this with your fellow Chapter members, aviator friends and your local FBO's. You never know who would be interested in one of the articles/events in the newsletter. Or if you received this from a friend and would like to receive it directly, please let me know.

Send in your comments as to what you would like to see in the newsletter. We like those human-interest stories, especially those with pictures.

Send articles for the October newsletter to me by September 20th if possible. Email them to Daford1957@gmail.com

Thanks again and enjoy the newsletter.
