Airventure 2021: July 26 - Aug 1

As always, Some News from National.

EAA AirVenture Safety Protocols Last updated May 28, 2021.

- EAA members now have the option to receive admissions credentials including wristbands in advance through our [Express Arrival program](#). This is offered at no extra charge when you purchase your tickets online and eliminates the need to go to an admissions building.
- If you are not fully vaccinated, masks will be recommended if you are unable to social distance (roughly 6 feet or 2 meters).
- Proof of COVID vaccine will not be required to attend.
- International visitation is dependent on current international travel regulations and mandates in the U.S. and individual countries of residence.
- Increased physical distancing will be encouraged in all areas.
- EAA is adding significant numbers of sanitizing facilities and working with industry-leading companies for continual disinfection throughout the grounds.
- Theater in the Woods, forums pavilions, and other outdoor venues will operate with reduced seating capacity, with social distancing opportunities on the open grounds at that location.
- There will be fewer exhibitors in each indoor exhibit building, creating more walkways and separation between exhibitors. Additional venues on the grounds are being re-purposed to accommodate indoor exhibitors that are moved this year.
- Wherever possible, ventilation will be increased in tents and indoor facilities.
- Several annual events where physical distancing is not possible will not be held this year, including the Monday night concert; the EAA Lifetime Member Dinner, International Visitors Dinner, and Young Eagles Volunteer Award Dinner; the Runway 5K run/walk; the WomenVenture social; the Seaplane Base's Watermelon social, and large corporate events and receptions.
- High-demand forums and presentations will be scheduled more than once to accommodate demand while allowing for distancing.

We Value Your Feedback

As always, we invite your ideas and input at feedback@eaa.org. We will see you on the Oshkosh flight line this summer!

One of the exasperating elements of COVID guidance for everyone, whether it pertains to a large public events or individual actions, is the continuing uncertainty and lack of specific dates for a return to normalcy. With that said, all guidelines are established for circumstances at the specific moment. As those circumstances evolve, so will the guidelines to reflect the current situation. We hope, naturally, that it will continue to be in a positive direction. That information will be updated as necessary at [EAA.org/COVID](https://www.eaa.org/COVID).

Be sure to go to [EAA.org](https://www.eaa.org) for all the latest news. You will find news of the different air show performers that will be at Airventure 2021.

VIRUS Alert: Know before you go.

Before attending or traveling to any destination or event listed, be sure and email or call ahead to see if the event or destination is open and/or available. Be safe and healthy.

Currently meetings are on hold, but we hope to start having a few with the social distancing. The Board has been meeting and have made some tentative plans. We are hoping that the COVID-19 restrictions will lift, and we can finalize them. Hopefully, we will soon have some great news to tell you!

Our email is marysvilleeaachapter@gmail.com

Other events and meetings are also being planned so stay tuned.

As always you can visit our website at <http://eaa1629.org> for the latest up to date information regarding the chapter.

With all these events going on now would be a good time to renew with the chapter if you have not already done so. You can renew your membership in one of three ways:

1. To renew your membership with a credit card or PayPal go to the following link: <https://eaa1629.org> and click the Join or Renew link on the left.
2. Mail a check for \$10.00 made payable to The Marysville EAA Chapter 1629 to Marysville EAA Chapter 1629 760 Clymer Rd. Marysville, OH 43040
3. Bring a check for \$10.00 made payable to the Marysville EAA Chapter 1629 or \$10.00 cash (Correct Change preferred) to any of the Marysville EAA 1629 functions.

75th Anniversary Open House

Zanesville Municipal Airport (ZZV) 850 Airport Road Zanesville, OH
SATURDAY, JUNE 12, 2021. This was a successful event.

They received a very nice letter from the Ohio Senate

HONORING
THE ZANESVILLE MUNICIPAL AIRPORT
ON ITS ANNIVERSARY

On behalf of the members of the Senate of the 134th General Assembly of Ohio, we are pleased to commend the Zanesville Municipal Airport on the auspicious occasion of its Seventy-fifth Anniversary, celebrated June 12, 2021.

Recognition of this prestigious milestone is a fitting tribute to the Zanesville Municipal Airport, for since its opening, it has attained a remarkable record of service and has contributed significantly to the well-being of our state. Indeed, its accomplishments are a justifiable source of pride and an outstanding reflection not only on the facility itself but also on its astute management, on its hard-working employees, and on the entire community.

Over the past seventy-five years, the Zanesville Municipal Airport has enhanced the quality of life within the surrounding area and has earned the gratitude and appreciation of many. We are certain that as this noteworthy enterprise maintains the unfaltering dedication to excellence that has long been its hallmark, it will continue to grow and prosper.

Thus, with sincere applause, we congratulate the Zanesville Municipal Airport on its Seventy-fifth Anniversary and extend best wishes for ongoing success.

To EAA Chapters and Members

Let us introduce ourselves. We are Vintage Chapter 22 in Zanesville, OH. We are a small group but we can put on a super Fly-In!

We are now planning our fall Fly-In for the 25th day in September 2021. Our Chapter is asking for volunteers the day before, the day of and the day after the Fly-In. We are also asking for volunteers to help with the Ford TriMotor Tour. We are always seeking new members. Our meeting dates are the second Saturday of the month at 6:30 PM at the Zanesville Municipal Airport, Hangar H. Please feel to drop in for a meeting to see what we are all about. We are sure you will enjoy your time with us.

Thank You

Things are starting to awaken from a long hibernation...

Young Eagles Rally - Mark your calendar for **Saturday, August 14th (time TBD)**. We are aiming to give 30 rides at this event. If you are a pilot and meet the requirements put forth by the EAA including the youth protection program ([link here](#)), please consider contacting [Mark Powell](#), who serves as the chapter's Young Eagles coordinator, and pledging your availability. Also consider giving a youth a Young Eagle flight anytime the opportunity presents itself. The necessary materials, including the all-important waiver, are available in plastic file drawers in the clubhouse on State Street.

Pancake Breakfast - A variety of factors has led to the decision to reschedule the pancake breakfast for **Sunday, October 3** which is a syrupy way to stack the date neatly between football Saturdays.

From the Light at the End of the Tunnel Category - Now that we are starting up a Saturday morning coffee and donuts routine, I like to see these morph into a mini-flyout to other EAA chapters as the opportunity arises.

KAZO

When you visit the Air Zoo's aircraft collection, you are entering the land of giants.

You will see a Curtiss P-40 Warhawk. Gaze up at an awesome F-18. You will get up close and personal with an overpowering F-14 Tomcat, the star of Top Gun. And you will stand face-to-face with the SR-71B Blackbird spy plane, still unmatched in speed and altitude.

Fly in and park right at the Air Zoo East Campus.

MADISON MUNICIPAL AIRPORT

CITY OF MADISON, INDIANA

KIMS

Historic Madison Indiana - Largest Historic District in Indiana, Madison, IN

Madison, Indiana is a bustling, tightly knit community that is home to 12,083 est. people. We are known for our abundance of festivals and events throughout the year, as well as our historic downtown area that is filled with rich history and unique businesses and shops. While many communities boast of a historic downtown, our historic district is composed of 133 city blocks, which is one of the largest national historic landmark districts in the United States. Fly in and see what our beautiful town has to offer!

International Women's Air & Space Museum

The team at the International Women's Air & Space Museum has been working behind the scenes to revamp our programs and offerings, to ensure that we continue to inform, educate, and inspire. This process includes planning for all scenarios to eventually welcome people back for in-person events, and plan for our continued collections preservation projects. Beginning the week of March 15, the museum will reopen to visitors. We believe it is our responsibility to do so in a measured and responsible way.

All visitors to the Burke Lakefront Airport are required at all times to wear masks that cover both their nose and mouth. If you do not have a mask, the museum has some for purchase both in the online, and at the instore gift shop. Hand sanitizing stations are regularly supplied and available throughout the building. The museum staff regularly disinfects high touch surfaces throughout the day, such as interactive exhibit elements. We are limiting the total number of individuals to enter the gift shop at any given time, and we are following all new information provided by the CDC and State of Ohio Department of Health. If you plan to visit the museum, please continue to self-monitor and if you feel ill, please stay home, and visit us at another time. At this time, the museum will not host in-person events. However, we welcome all to participate in our upcoming virtual programs.

For questions, please call 216.623.1111 or email us at info@iwasm.org.

Stay safe. Stay healthy. Mask up. We are in this together! If you are in need of a mask, we are selling some! With a big thanks to museum advisor, Teresa, we have three different patterns to choose from. Pictured is our

Rosie print.

Hot air balloons and planes also available. Quantities are limited.

**News from Space:
Upcoming Missions, Developments, and More!**

Astronaut Kayla Barron Added to SpaceX Crew-3 Mission by NASA

It will be three female astronauts in a row flying on a SpaceX Dragon to the International Space Station. NASA made it official that rookie astronaut Kayla Barron will be a mission specialist on the Crew-3 mission. Barron follows NASA astronauts Shannon Walker and Megan McArthur who are part of Crew-1 and Crew-2, respectively. Barron, who was selected as an astronaut in 2017, will join NASA astronauts Raja Chari and Tom Marshburn, the mission's commander and pilot, and European Astronaut Matthias Maurer who will also serve as a mission specialist.

Crew-3 is targeted to launch on October 23 from Kennedy Space

Center in Florida. Barron has a bachelor's degree in systems engineering from the U.S. Naval Academy and a master's degree in nuclear engineering from the University of Cambridge in

England. Lt. Commander Barron earned her submarine warfare officer qualification and deployed three times while serving aboard the USS Maine. This will also be the first spaceflights for Chari and Maurer and the third spaceflight for Marshburn.

2021 CenterPoint Energy Dayton Air Show Presented by Kroger Returns to Normal Show July 10 & 11

Great News! The July 10 & 11, 2021 CenterPoint Energy Dayton Air Show has dropped the drive-in format, and will have a traditional normal show! Enjoy the U.S. Air Force Thunderbirds, U.S. Army Golden Knights, AeroShell Aerobatic Team, the amazing Shockwave Jet Truck, all-new Lucas Oil Airshows, Jacquie B aerobatics, commercial and military planes on static display and much more in the fresh outdoors!

Purchase tickets to the 46th Dayton Air Show at www.daytonairshow.com. Starting June 1 you can also purchase tickets at area Kroger stores. (Any drive-in tickets purchased for the 2021 show will be automatically refunded.)

Show officials talked with Public Health Dayton & Montgomery County and received Ohio Department Public Health's new order permitting the show to return to normal operations. Static aircraft will be available for public viewing and popular specialty seating areas like the Pavilion, Blue Sky Chalet, and Photo Pit will be open. The show values its customers and will be implementing some new initiatives that will make guests feel comfortable and safe:

- Fresh Air: Everything is outdoors. Nothing like good ole fresh air on a beautiful summer day
- Space: There are over 100 acres of show grounds. Plenty of room to spread out and enjoy the show
- Hand Sanitation Stations: Hand sanitation stations throughout the site for guest convenience and safety
- Specialty Seating: All umbrella table seating areas, Pavilion, Blue Sky Chalet, private chalets, and Chairman's Club spaced a minimum of 6' apart
- Cleaning: Tables, restrooms, and other surfaces disinfected each day

Make it a Dayton vacation, or Daycation and [book an area hotel room for the weekend!](#)

Those who are not fully vaccinated must continue to wear masks inside the museum.

Visitors will not be asked by museum officials to prove their vaccination status, and those who wish to continue wearing masks may still do so. In addition, cleaning procedures, sneeze guards at volunteer and cashier desks, and hand sanitizer stations will remain in place throughout the museum.

Harbor Springs, Harbor Springs, MI (MGN)

Nice little airport in northern Michigan on Little Traverse Bay. A courtesy car is available although we brought our folding bikes because we heard there was a trail which ran from Harbor Springs through Petoskey to Charlevoix, an area known as Michigan's Gold Coast.

The bike trail is a former railroad track which mostly follows the shoreline of the Little Traverse Bay and runs past the approach end of runway 28. The trail is a wide, paved, landscaped path with only slight slopes, and has many scenic lookouts and parks along the way.

There is easy access to downtown shopping and restaurants from the trail. Bed and breakfasts and hotels from the quaint to the elaborate can be found along the path as well as a couple of campgrounds, one of which is located in Petoskey State Park.. There is also a place right on the trail which rents bikes if you don't have your own to bring.

Airport Steakhouse on field. Great food and excellent breakfasts.

Capri Drive-in Theater, Coldwater, MI (KOEB)

Capri Drive-In Theater is a cool old outdoor movie theater right next to the airport that you can taxi up to within a 5 minute walk. Fly in for the movie and camp overnight and have breakfast at the Prop Blast Cafe there on the grounds.

Messenger Lake is across the road part of the famous Chain of Lakes and offers dockside float plane fuel.

There's also a courtesy car at the FBO's hangar to get to nearby hotels and cabins

Mackinac Island Airport, Mackinac Island, MI (MCD)

If you fly in no where else in Michigan, this is the one place you have to go! We take friends and family several times per year. The airport is about a mile walk into town through the woods on paved roads, though there are no cars on the island!

Just horse drawn wagons and buggies. Yes, very touristy, but very unique and well worth spending a day walking, hiking, renting bikes, eating, shopping, taking in wonderful views! No fuel at this state-run airport, but the airport office/terminal is new and first class.

Eat at Millie's on Main if you want to go where the local's eat. Good food at fair prices

Canton Plymouth Metettal Airport, Canton, MI
(1D2)

If you look for a place to fly to have some good time, Canton Plymouth Metettal airport 1D2 is one of the best places in Michigan to come. The nice airport is surrounded with things that flyers are looking for at the end of their pleasure flights.

You are looking for some decent places for food? The Coney Island is on the west side of the airport, just across from the airport entrance. The Three Brother's Restaurant which is well known for its Polish food is just north of the airport almost at the end of the Runway 36.

Like to see some flowers and plants for relaxing? Walk to the two green houses just north of the strip mall where the Coney Island restaurant located. A couple pots of plants or flowers will add some nice fragrant in your airplane on the flight home. Plymouth downtown is a small, conservative but very nice place to visit. It is just a few blocks north west from the airport.

Unless you bring a bike with you, Enterprise Rent A Car will pick you up and rent you a car. It usually has very low car rental during the weekend, about \$20-\$30 during the weekend. Call them first to

make sure if they are open. I live in Canton which is next to Plymouth but I love to come to Plymouth downtown during weekends.

I love coffee at the Starbuck, or lunch at Panera, sit at the Kellogg park, or visit the library nearby. If you are a tea drinker, you must visit the famous Sweet Afton Tea Room. All of them are in the small downtown area. Just just a couple blocks south of the airport is the Canton Township. Canton also has many nice shopping stores, restaurant and the famous Ikea is in this town.

So Metettal airport is one of the few places that you still can land for some variety of food, enjoy a walk and some other activities. Happy landing.

Custom U.S. Aeronautical Chart Apron

<https://www.chartitall.com/>

A boy's dream, an aeronautical chart, and a bit of creative magic united in 2015 to create Chart it All. Trevor Simoneau, 15, is a student pilot. In 2015, Trevor crafted a plan to finance his future education at Embry-Riddle Aeronautical University and the cost of AvGas with custom, one-of-a-kind shirts printed with aeronautical charts. Trevor is an IB Sophomore at DeLand High School and president of Aviation Explorers 747, a club dedicated to inspiring kids of all ages interested in all aspects of aviation. He also works as an aviation news reporter for Sun 'n Fun Radio.

Today, his small family business offers distinctive clothing and gifts with your choice of aeronautical sectional charts.

Your purchase goes a long way to fuel his dream. Check out the website for all kinds of aviation items that would make fantastic gifts for Christmas or a birthday. Trevor is a little older now, but still has some great ideas!

They now have Sectional Chart Face Masks and Custom U. S. Aeronautical Chart Face Masks! Also new are Custom Aeronautical Chart Pocket T-Shirts!

This newsletter goes out to all EAA Chapters in Ohio, Indiana, West Virginia, Kentucky, and Michigan. It also goes to a lot of the FBO's in those states also.

So, if you are planning to host an event and would like to get it out there, this is a place to do so.

If you are a Chapter that would like an article published in the Ohio Region Chapter Newsletter, please feel free to submit an article to me. Also, if you are a manager of an airport / FBO we would like your articles also. Tell us about an event that is going to take place at your airport, a great restaurant that is on the airfield for those pilots that like those \$100 hamburgers.

A great place to visit that is close to the airport where you have a courtesy car or that they are willing to pick up visitors and take them to the location.

If you are a local chapter and are willing to transport visitors of your airport to a local event that is great. Let us know and we can post it here. Afterall, EAA is known for its hospitality.

If someone from your Chapter has a plane, parts, or tools for sale we can include it here.

If you do not want to write an article and would like for me to visit your website / Facebook page and gather my own 'intel' for an article, let me know.

Be sure to let me know if you have a different person that will be sending articles or to receive the newsletter to distribute to your Chapter members.

Please share this with your aviator friends.

I will be starting a comment section so please send your comments as to what you would like to see from Chapters and FBO's.

Thanks to all who sent me an article! Also, even if you do not have an event to talk about or an upcoming event to let us know about, a human-interest article with pics is also welcome. We love to hear about your members. Also please start thinking about the August newsletter. I would like the articles for it by July 21st.

Send those articles or stories to me at Daford1957@gmail.com

Thanks again - Darlene Ford
