## August 2019

Publisher: Darlene Ford, EAA Chapter 1625 Secretary (KZRT)

Ray Aviation Scholarship Committee Member

[Daford1957@gmail.com](mailto:Daford1957@gmail.com), 614-557-1170 cell

As always, Some News from National.

### July 30, 2019 -

Comment from EAA CEO and Chairman of the Board Jack J. Pelton:

- “What I’m most proud of this year is how our volunteers, staff, and the community joined to overcome the challenges resulting from the massive storms that hit the airport and campground just prior to opening day. It took a true team effort to meet the additional demands on time and resources to provide services to our members and visitors.”]

**Attendance:** Approximately 642,000 — 6.8 percent above 2018’s record total. Comment from Jack:

- “EAA members and aviation enthusiasts attended in large numbers, and stayed throughout the week. On July 22, we thanked Oshkosh residents for 50 years of support with free opening-day tickets, and more than 8,700 of them attended, which equates to 13 percent of the city’s population. Throughout the rest of the week, our efforts to create unique attractions and aviation highlights across the grounds were incredibly successful in creating only-in-Oshkosh moments.”

Total aircraft: More than 10,000 aircraft arrived at Wittman Regional Airport in Oshkosh and other airports in east-central Wisconsin. At Wittman alone, there were 16,807 aircraft operations in the 11-day period from July 19-29, which is an average of approximately 127 takeoffs/landings per hour.

Total showplanes: 2,758 including 1,057 homebuilt aircraft (including a record 592 homebuilt aircraft campsites), 939 vintage airplanes, 400 warbirds (6 percent increase), 188 ultralights and light-sport aircraft, 105 seaplanes (40 percent increase), 62 aerobatic aircraft, and 7 in other categories.

Camping: More than 12,300 sites in aircraft and drive-in camping accounted for an estimated 40,000 visitors.

Volunteers: More than 5,500 contributing in excess of 250,000 hours.

Guests registered at International Visitors Tent: A record 2,772 visitors registered from 93 nations, also a record total (actual counts are higher since international visitor registration is voluntary). Top countries represented by registered visitors: Canada (561 visitors), Australia (386), and South Africa (177).

The Gathering shines: The EAA Aviation Foundation's annual event to support its aviation education programs attracted some 1,400 people and raised more than \$2.8 million that will be focused on EAA's mission of growing participation in aviation.

Media: 851 media representatives on-site, from six continents.

Economic impact\*: \$170 million for the five counties in the Oshkosh region (Winnebago, Outagamie, Fond du Lac, Calumet, and Brown). *\*Based on 2017 University of Wisconsin Oshkosh economic impact study.*

What's ahead for EAA AirVenture Oshkosh 2020 (July 20-26, 2020)? Comment from Jack:

- "Planning is well underway for next year's event, including discussions during AirVenture 2019 about possible features and attractions for 2020. In the next few months, we will be finalizing highlights in all areas to make the 68th annual EAA fly-in convention the World's Greatest Aviation Celebration."

**Saturday, Aug 17, 2019**

**Pancake Breakfast Young Eagles Event**

**Delaware Muni Jim Moore Field (KDLZ) Delaware, OH**

8:00 am to 11:00 am-Pancakes, Eggs, Sausages, Coffee, Orange Juice, Milk, and Water for a donation. 9:00 am to 12:00 Noon-Young Eagles Event. Registration required. parent must be present with young eagle 8yrs-17yrs to participate. More information can be found on [www.eaadlz.org](http://www.eaadlz.org)

## RED, WHITE & ZOOM!

The 2019 Cleveland National Air Show presented by Discount Drug Mart will showcase a patriotic line-up of military jet demonstrations including the U.S. Air Force Thunderbirds, F-35A Lightning II and A-10C Thunderbolt II this Labor Day Weekend.

The U.S. Air Force Thunderbird pilots will put their six distinct red, white and blue F-16 Falcon jet fighters through a choreographed performance each day at speeds up to 500 mph and as close as three feet from each other. The demonstration features 40 maneuvers including the trademarked Thunderbird six-plane delta formation, high bomb burst and solo knife-edge pass.

## WWII TOUCHES DOWN IN CLEVELAND

A World War II B-25D Mitchell Bomber “Yankee Warrior” will take Air Show fans on a sentimental journey when it takes to the skies. The B-25 has a distinctive shape with a low rumbling engine and is a living, flying embodiment of the Greatest Generation’s winning spirit. The B-25 Mitchell was one of the most significant aircraft in World War II and is best known for its role in the Doolittle Raid, April 1942.

Tuskegee Airmen Display

## **EAA Chapter 1625 Chillicothe, OH KRZT**

**Our September meeting will be back at the Airport, September 7, 2019. The Board meeting will start at 9:00 AM with member meeting immediately following. Our Board will be meeting later in August also to work on the plans for the October Fly-In / Pancake Breakfast. More details to follow.**

**Please check out our facebook page for the latest up to date information**

Come out and meet us there. Our Chapter dues are \$ 10.00 year.

## **EAA Chapter 859 Steubenville, OH**

Hello everyone,

I hope everyone is surviving the heat wave, hoping for a break in temp soon.

On Aug 16 & 17 the chapter is going to hold a fund raising event in the chapter hanger. It's going to be an old fashion garage sale.

For starters St. Joesph's Church in Weirton donated what they had left over from their big garage sale. (10) truck loads.

Word has spread out to some chapter members which in turn have brought out some of their items to add to the ever growing items. Stuff like bench tools, a couple of computer exercise

bikes, a nice treadmill, tons of glassware, baby toys, a couple nice pieces of furniture, two nice book shelf units, three golf club bags complete with clubs, and for you old guys lots of cassettes. Yes even some aircraft parts donated over the years.

All are put on their own tables to make it easier to keep track of.

Now here is your chance to get rid of some of the stuff you have collecting dust or haven't used in the last 5 years, now is your chance to get rid of it and for a good cause.

As this thing is growing, we have use up all the Chapter's tables. If you would happen to have some tables we can sure use them, just mark your name on them.

Now if you never did a garage sale, it's a lot of fun. You just sit back and collect the money. But in this case being around aviation, it's a chance to inter act with the general public that most likely never seen or let alone to be around a small airport or with airplanes that they only seen from the ground looking up. Explaining about the airplanes that we fly and especially the VP-1 project, I am sure you'll get some strange looks.

This is your chance to have a little fun.

Thanks all.

Dave T.

**Meetings:** Every 2nd Thursday 7:00 PM

**Location:** EAA Chapter 859 Hangar 701 Airpark Dr. Wintersville OH 43953

Here are photos of what we collected far.

### [EAA Chapter 421](#)

#### **Monthly Chapter Gatherings:**

First Saturday of Each Month at 10:00 am

Grimes Field Airport - I74, Champaign Aviation Museum, 1652 N. Main St. Urbana, OH 43078

#### **Chapter Contact Information:**

President, Mark Curtner

## **EAA Chapter 1629 Marysville (KMRT)**

Saturday August 24, 2019 – Young Eagles at Union County Airport (KMRT). This is two weeks after the Balloon festival at KMRT. Time: 9:00 am - 1:00 pm

For those interested in helping with the Young Eagles Rally on the ground crew please sign-up for this event by going to <https://youngeaglesday.org> and either login to your existing id or select "Sign Up" to register as a ground volunteer.

For those interested in being a Young Eagles Pilot during the Rally please sign-up for this event by going to <https://youngeaglesday.org> and either login to your existing id or select "Sign Up" to register as a pilot.

For more information or to confirm a date please contact  
[MarysvilleEAAChapter@gmail.com](mailto:MarysvilleEAAChapter@gmail.com)

**Meetings:** Every 2nd Thursday 7:00 PM

**Location:** Chapter Hangar-April-Oct; Wadsworth Skypark Airport Meeting Room-Nov-March  
3071 Greenwich Road Wadsworth OH 44281

### **Images from Summer Celebration at Skypark...**

## Project Updates:

Congratulations to Ron and Paul Lutz for completing first flights in their Thatcher CX-4! We have 3 flights and 3.1 hours on it now. Working out some roll issues, trying to make the left brake better, and some kind of charging glitch. Getting about 126 mph true airspeed with 3000

rpm. Haven't stalled it yet. –Ron

## Jeff Paden's Titan T-51 Mustang

First flight was conducted by Bill Koleno on June 30 at Medina Airport. Jeff took a partially-completed project from Florida and rebuilt many components of the plane and replaced the engine with a larger engine. Walt Halloran painted the T-51 in the dark-green configuration of Bud Anderson's Old Crow from World War II. This is Jeff's third aircraft completion! Great job, Congratulations

Jeff!

## Ford Tri-Motor

### Tour Stop September 12-15

Our chapter will be hosting the Ford TriMotor again September 12-15 at Wayne County Airport. Art and Karen Hernandez have stepped up and is handling all the marketing. Mary Baker is handling the advertising. Jeff Paden is the Tour Stop Chairman and oversee all of the preparation. Matt Tomscheck and Walt Halloran will be assisting Jeff. A Volunteer/Equipment Coordinator is still needed to set up the volunteers during the Tour Stop. These positions can be shared to help spread the wealth and duties. <https://www.eaa.org/ea/events-and-experiences/fly-the-ford-aea-ford-tri-motor-airplane-tour/ford-tri-motor-tour-stops>

We will begin holding some planning meetings after Oshkosh, so please look for those notices.

**Note: Send your media contact information to Art Hernandez as he and Karen will begin planning the promotional campaign for the Ford Tri-Motor Event in September. Email: [artghernandez83@gmail.com](mailto:artghernandez83@gmail.com)**

2019 Dates

[eaachapter67@gmail.com](mailto:eaachapter67@gmail.com)

**Sat, Aug 17** EAA Chapter 67 - Fly-in breakfast at Noblesville (I80) from 8:00 AM to 11:00 AM  
Indy Flyers - Airport Application Day with lunch

**Sat, Aug 31** Fly-in drive-in at Marion (KMZZ)

**Sat/Sun, Sept 7-8** USAF Thunderbirds and air show at Grissom ARB (KGUS)

**Sat, Sept 21** Glenndale Pilots - BBQ Bash at Glenndale (8I3)

**Sat, Sept 28** Sheridan Pilots - Fly-out to Columbus (KBAK) for lunch and museum visit

**Meetings:** Every 1st Monday 7:00 PM

**Location:** Noblesville Airport Office

Ever wonder who Discover Aviation is? Discover Aviation is a non-profit organization created to introduce people to aviation & collaborate with other organizations to promote aviation in general. We fund our outreach programs through memberships & donations. Membership is only \$20 per year & includes DAC sponsored events, our monthly newsletter, and exclusive aviation opportunities.

Please consider joining or donating to our organization.

See the donation information at the bottom of the event listing.

## Upcoming events

### **August 8<sup>th</sup>-11<sup>th</sup> - Ford Tri-Motor rides at Dayton-Wright Brothers Airport**

Take a step back in time flying in a 1928 “Tin Goose” Tri-Motor!

DAC’s Paul & Vicki will be helping out – come say hi!

Visit [flytheford.org](http://flytheford.org) for details

### **August 10<sup>th</sup> – WWII B-25 Mitchell Air Adventure rides**

10:00a-4:00p at the Liberty Aviation Museum in Port Clinton

Visit <http://yankeeamuseum.org/fly/> for details

### **August 11<sup>th</sup> – WWII B-17 Flying Fortress Air Adventure rides**

10:00a-3:00p at the Liberty Aviation Museum in Port Clinton

gVisit <http://yankeeamuseum.org/fly/> for details

### **August 16<sup>th</sup> – Discover Aviation Cook-out**

6:00-8:00p at the Lorain County Airport

Burgers, dogs, pop & water provided – BYOB and a dish to share if you’d like

### **August 17<sup>th</sup> – EAA Chapter 1600 Pancake Breakfast & Young Eagle Rally**

8:00-11:00a at the Delaware Muni Jim Moore Field

Visti <http://www.eadlz.org/> for more info

### **August 17<sup>th</sup> – EAA Chapter 402 Fly-n/Drive in Pancake Breakfast**

8:00-noon at Newark/Heath Airport

### **August 17<sup>th</sup> & 18<sup>th</sup> – Props & Pistons Festival at the Akron Fulton Airport**

Flying demonstrations, aircraft on display, ride opportunities, and aerobatics

Also includes Kid’s Zone and a car & customer motorcycle show

Enjoy this fun experience for the whole family! Visit [flyohio.org](http://flyohio.org) for more info

### **August 17<sup>th</sup> & 18<sup>th</sup> – Mid-Eastern Regional Fly-In (MERFI) Wings & Wheels**

Grimes Airfield at Urbana Municipal Airport

Ride opportunities, a Car, Truck & Bike Show, Pancake Breakfast, and Parade of Planes

### **August 18<sup>th</sup> – EAA Chapter 5’s monthly meeting – Ice Cream Social**

2:00-6:00p in Rob’s hangar at the Geauga County Airport

### **August 18<sup>th</sup> – EAA Chapter 50’s Fly-in Breakfast**

### **August 22<sup>nd</sup> – EAA Chapter 5’s IMC/VMC Club**

6:30p at the Geauga County Airport in Middlefield

6:30 socializing – 7:00 presentation – Hangar flying to follow

**August 24<sup>th</sup> – EAA Chapter 1629’s Young Eagles Rally**

9:00a-1:00p at the Marysville Union County Airport – no pre-registration necessary

Free airplane rides for kids 8-17. A parent or guardian must be present.

**August 30<sup>th</sup> – IWASM’s annual Corks in the Concourse Wine tasting**

7:00-10:00p at Burke Lakefront Airport

This year’s theme is Island Fly-in Beach Party - Themed dress is encouraged

Tickets are \$65 (\$60 for members & \$45 for designated drivers)

Call 216-623-1111 for tickets or more information

**Labor Day weekend – Cleveland National Airshow**

Featuring the USAF Thunderbirds!

Visit <https://www.clevelandairshow.com/> for information

**Want more? Visit the FAA FAASite [website](#) for the list of free webinars available**

## ***B-17 Visit in August 23-25 Richmond Municipal Airport***

Our B-17 hangar dance committee is working hard to make this event a success. We have already confirmed the Ladies for Liberty are confirmed to perform in the 1940's style of the Andrews Sisters. Other details such as decorations and food are being planned. If you would like to assist please contact Jennifer at [75jennifer.ochoa@gmail.com](mailto:75jennifer.ochoa@gmail.com)

### ***B-17 Hangar Dance Aug 24th***

Be sure to join us Saturday Night from 6-9 PM for dinner and entertainment with the B-17 Aluminum Overcast as a backdrop!!! We are hosting a dinner with period entertainment provided by the Ladies for Liberty!! This will be an exciting social event with period costumes and dancing. Photos will be available. We will be having a raffle with chances to win B-17 rides valued at \$475.

Flyers will be available on Saturday for visit and dance.

Flights available 10 a.m. to 1 p.m. Ground tours available 2 to 5 p.m.

[EAA Chapter 234](#)      [Traverse City, MI](#)

EAA Chapter 234 was formed by a small group at Acme Skyport in 1965 with the primary interest in promoting aviation safety, education and fellowship.

There is a mix of activities by the Chapter. Usually a breakfast fly-in is hosted at Torchport Airport. The Chapter has also hosted Young Eagle events at NMC Aviation Department ramp. Of course, there is the annual Christmas party with all the coveted awards.

Bob Witkop has formed a notorious group of Saturday morning flyers that post a regular year round schedule of places to meet for breakfast. Appropriately named Bob's Breakfast Bunch.

Meetings are normally held the second Thursday of each month @ 7PM either at the NMC Aviation building on Aeropark Drive or Giving Wings Hangar on Airport Access.

The Chapter always welcomes visitors at our meeting and social activities and hope they will consider joining our Chapter.

## EAA 5

**Meetings:** Every 3rd Monday 7:00 PM

**Location:** Geauga Co. Airport-Hangar 3

PO Box 1213 15421 Old State Road Middlefield OH 44062

**Summer Camp** - Based on the feedback from kids and parents, our summer camp experience for middle school students was about as successful as an event can get. First off, the level of planning and attention to detail by Sherry and Tim was unprecedented for a chapter event. Big thanks also go out to the members who staffed the event all week and the instructors who gave each student their first hour of instruction. The masthead picture was taken by the drone operator that did a demo at the camp.

**EAA 5 First Fly-in of Summer** - Once again we had great weather for this event! Fly-in traffic was a little light but we sold plenty of pancakes and gave 50 YE rides. The folks too young for YE rides got to fly the Christian Eagle pedal plane while Sherry sold raffle tickets on the GB-R2 pedal plane that is now complete and on display. Remember that tickets are available at the airport from Ric, Tim, or Sherry. Again, BIG THANKS to those chapter members that worked to make this event happen.

**Summer Solstice fly-out** - After several delays for different reasons, we finally got this event off about 4 days after the solstice but we still enjoyed hotdogs and ice cream at Meadville, and got back before dark. Six aircraft and a dozen members made the event.

**B-17 Tour Stop** - Save-the-dates - We will host the EAA B-17 the weekend of September 5-8 at Lost Nation Airport. Please schedule at least one day to assist with this event. Chapter members will have the opportunity to work with the B-17 crew to give rides and ground tours of the aircraft.

### **2018 Schedule**

#### **August**

Business Meeting 12-Aug

Program Meeting 18-Aug Ice Cream Social at Rob's

VMC/IMC Meeting 22-Aug

#### **September**

Additional Activity 5/8-Sep B-17 Tour Stop @ LNN

**Location:** Ashland County Airport  
700 Township Rd. 1102 Ashland OH 44805

## **EAA Tin Goose Chapter 1247 Port Clinton, Ohio**

Darlene,  
Had a great time at Oshkosh with the grand kids, just have to share!

### **AirVenture Oshkosh 2019!**

Here's what happens when you turn a certified grandpa loose at Oshkosh with just the grand kids. We get to camp in a tent, stay up late and watch movies on a really big screen, live on junk food and pizza, even take a shower or two. Then we get to see lots and lots of cool airplanes and meet lots and lots of interesting people. From the people you are camped next to, to the people on the tram, the people in the various lines you wait in, to the presenters on stage at the forums, lectures, and signings. There are no dull people in aviation. We all have our own interesting and fascinating aviation stories....every one of us.

The kids especially loved KidVenture and flying the virtual F-22 Raptor in the authentic cockpit seat, controls, and stick. Then the virtual reality goggles make it exceptionally Real. My 11-year-old granddaughter rolled it very nicely three different times. Many thanks to the Air National Guard for the sponsorship and hostess Major Emily (?) who is a PIC of a KC-135 tanker. The B-25 full sized mock up was the next big hit. It requires a crew of four to "fly the mission"; one pilot, co-pilot, a nose gunner-bombardier, and a top turret gunner. Each has their own video screen to control and monitor the status of the mission. My 13-year-old grandson brought them all home safely and even did an excellent landing of a B-25. But there was also Gemini and Mercury space capsules to fly and rivets to rivet, radios to radio, ribs and propellers to build and lots and lots more.

Then on Boeing Plaza was the 787 Dreamliner, a B-29 named "Doc", a B-17 "Yankee Lady", F-22 Raptor, and various other helicopters, jets and planes, but by now it was noisy. It was very noisy because planes were now flying the afternoon air show and a low flying F-35 on after-burners will vibrate you contact lenses loose. From P-51's to the powered parachutes, they were all a thrill to watch. But one thing you do not want to miss is the night time air show with fireworks. The fireworks absolutely rivaled Boston's on the Fourth of July, specially the Grand Finale of shooting sky rockets up through a large exploding ball of gasoline fire.

Unquestionably, there was no other place they would have rather been, including Disney World. Thanks, Oshkosh, for some really special time with some really special grandkids. Can't wait to do it again.

Dave Hirt 611961  
EAA Tin Goose Chapter 1247  
Port Clinton, Ohio

See the pictures on the next page.

This is one of those feel good stories.

## Chapter 907 Youth Workshop

Work continues on the Hummel H5 project fuselage and fabricating small parts for the Stabilizer and Elevator. Lots of time has been spent forming the longerons around the cockpit to get the curve correct and still meet the firewall former. Fabricating of the Stabilizer spar was started but hit a snag as we had to remake one half of the main spar due to an incorrect bend. We have all the parts ready now and will start to layout and drill for the rivets.

## Calendar of Events

September 14, 2019, 3rd Annual Wings and Wheels. 11 AM to 3 PM Mt. Pleasant Airport. Call Randy MacDonald for more information. 989 644-5540

### **EAA Chapter 1227 IOB**

**Meetings:** Every 1st Monday 6:00 PM

**Location:** Mt. Sterling, KY Airport FBO  
707 Airport Rd Mt Sterling KY 40353

"Join us at the Mount Sterling/ Montgomery County Airport for the annual Mount Sterling Fly-In/ Drive-In Breakfast and Aviation Day on Saturday, September 14, 2019.

Breakfast starts at 7 am and ends around 11 am. **Pilots & their passengers flying in receive free breakfast.**

Aviation Day activities start around 9:00 am and end around 4:00 pm. We will once again offer airplane rides for a minimal charge (\$25 per adult, \$15 per child), a candy drop for the kids, food and other various vendors and many fun activities for the whole family.

You don't want to miss it. Bring your lawn chair. Free Parking."

Thanks,

Jan Puetthoff, President

EAA Chapter 1227

## BREAKFAST & AVIATION DAY

**Saturday, Sept 14, 2019**

**Breakfast 7 - 11 am**

**Airplane rides 9 am - 4 pm**

Candy Drop • Static Aircraft Display  
Vendors • BBQ Food & Refreshments  
Lots More • Fun For The Whole Family !

» Bring your lawn chair «

Mt. Sterling\Montgomery County Airport

1100 Spaatz St., Wright-Patterson AFB, OH 45433

The museum is open 9 a.m. to 5 p.m. seven days a week. The museum is closed on Thanksgiving, Christmas and New Year's Day.

Some museum exhibits have special hours. The [8th Air Force Control Tower](#) and [Nissen Hut](#), located in the Air Park, are

open from noon to 4 p.m. Friday, Saturday and Sunday from January through March (closed Monday through Thursday) and from 9 a.m. to 4 p.m. daily April through December.

## **Giant Scale Radio-Controlled Model Aircraft Air Show**

**Aug. 30 - Sept. 1, 2019, 9 a.m. - 4 p.m.**

During this three-day event visitors will see some of history's well-known airframes at the National Museum of the U.S. Air Force over Labor Day weekend, but they won't just be the ones inside the galleries. Scale versions of those aircraft will fly over the museum, regaling spectators with daring aerobatics. Brought to you in part by the Dayton Ohio Giant Scalars, RC pilots will entertain audiences as they perform skillful maneuvers with jets, warbirds and helicopters from all eras of aviation history.

Bring the whole family and watch as radio-controlled model aircraft take to the skies at the National Museum of the U.S. Air Force! Traveling from across the country, more than 100 pilots take part in the Giant Scale Radio-Controlled Model Aircraft Air Show, sharing their passion for the sport with visitors. This event takes place behind the museum on historic Wright Field. Free admission and parking.

Featuring Radio-Controlled Model Aircraft including:

- Jets
- WWII Warbirds
- Bombers
- Helicopters
- Gliders
- Aerobatics

## **Future Family Days**

**August 17, 2019 – National Aviation Day**

National Aviation Day is Aug. 19 every year, on the anniversary of Orville Wright's birthday, and is a celebration of all things related to aviation. Orville Wright was born on August 19, 1871, in Dayton, Ohio (148 years ago). Commemorate National Aviation Day by learning about the history and technology of aerospace.

### **September 28, 2019 – Fall with Gravity**

Celebrate the fall while learning how we can overcome and cope with the force that causes falling!

### **November 16, 2019 – Exploring Engineering**

Learn about engineering through fun demonstrations and hands-on activities.

## Plane Talks

Plane Talks will occur a few times a year and allow visitors the opportunity to interact with various subject matter experts. The experts at these talks may include veterans, active duty, former pilots, crew members, engineers, navigators, and more. These experts will be stationed in the galleries near the aircraft or exhibit that relates to their expertise. These Plane Talks programs often occur on the anniversary of a significant Air Force or military event.

### Future Plane Talks

**72<sup>nd</sup> Anniversary of the Air Force** – Wednesday, Sept. 18, 2019

**National POW/MIA Recognition Day** – Friday, Sept. 20, 2019

**70<sup>th</sup> Anniversary end of the Berlin Airlift** – Monday, Sept. 30, 2019

**Veterans Day** – Monday, Nov. 11, 2019

**Pearl Harbor Remembrance Day** – Saturday, Dec. 7, 2019

Burke Lakefront Airport, 1501 North Marginal Road, Cleveland, Ohio, U.S.A. 44114-3726

### August 30, 2019 - Corks in the Concourse

Join us on August 30 from 7 to 10 p.m. for our annual fundraiser Corks in the Concourse. For this year's theme we will be turning the museum into a tropical island, so grab your floral shirt and sunglasses and come on down! Held the Friday night before the Cleveland National Air Show, it's a great way to kick off the holiday weekend. The event will feature eight different wineries including Grand River, South River, Debonne, Cherry Road, Firelands, and more, as well as lots of food, a silent auction and raffle, appearances by air show performers, and music by DJ Tony Slim.

Tickets will be \$65 for non-members and \$60 for members, and include a wine glass and wine samples. A "designated driver" ticket is available for \$45, but does not include the wine glass and samples. Tickets may be purchased by calling the office or buying through the webstore.

We are currently looking for donations for the silent auction, so please call the office if you have anything to donate. This is the museum's biggest fundraiser of the year, and allows us to keep our educational and community outreach programs going. We appreciate your support.

*Themed dress encouraged but not required.*

**Tickets**      [https://eshop.iwasm.org/index.php?id\\_category=32&controller=category](https://eshop.iwasm.org/index.php?id_category=32&controller=category)

**September 28, 2019 - Into the Breeches**

IWASM is partnering with the Cleveland Play House for a special night of the production "Into The Breeches," by George Brant, at the Allen Theater.

Tickets will be \$30, for the September 28, 2019, 7:30 p.m. performance, with a portion going directly to IWASM.

"We Can Do It!" So said Rosie the Riveter, and so say the women of Cleveland, Ohio, in this vibrant new comedy! It's 1942, and the leading men of the Oberon Play House are fighting overseas. With "The Show Must Go On!" as their battle cry, a band of passionate, yet inexperienced, performers rally together to produce the Oberon's season opener, an all-female version of Shakespeare's ambitious Henry IV and Henry V. Will their production be a victory on the home front or a target for rotten tomatoes? A hilarious and moving story about what happens when we're all in it together.

- HELLO GOODFOLKS!! Strap on a leather helmet and goggles and relive the past. The 1920s-30s were the golden age of aviation and barnstormer pilots traveled the country and introduced the masses to the skies above. Goodfolk & O'Tymes Biplane Rides is your opportunity to experience that unique feeling from the early years of aviation. We are the only commercial biplane ride company in the Dayton, Columbus, and Cincinnati area. This past year we were able to add another beautiful biplane to our fleet. We still have the most popular 1929 Travel Air 4000 that can carry up to two passengers, but including a 1930 D-

25 new Standard that can carry up to four passengers has really made Goodfolk and O'Tymes Biplane Rides one of the most popular barnstorming businesses East of the Mississippi. You can take your pick to ride in one or both of our beautiful biplanes. Both aircraft will give you a piece of history to take home with you.

- 
- Have you ever dreamed about flying like a bird? Well, experience that dream with Goodfolk & O'Tymes Biplane Rides. The low and slow flight characteristics of these flying machines will allow you to step back in time and enjoy the pleasures of flying like a bird. Let the wind blow through your hair and the smells from the countryside give you the magical feeling of the early barnstorming years. Whether this is something to mark off your bucket list, a unique idea for a romantic date, surprise your spouse for an anniversary present, a wedding proposal, birthday, Father's day, or just a joy ride, Goodfolk & O'Tymes Biplane Rides is here for that occasion. We are here to make some of the most memorable dreams come true.

Air Zoo Museum, Portage, MI  
<http://www.airzoo.org/>

When you visit the Air Zoo's aircraft collection, you're entering the land of giants. You'll see a Curtiss P-40 Warhawk. Gaze up at an awesome F-18. You'll get up close and personal with an overpowering F-14 Tomcat, the star of Top Gun. And you'll stand face-to-face with the SR-71B Blackbird spy plane, still unmatched in speed and altitude.

Fly in and park right at the Air Zoo East Campus

***Thanks to all who sent me an article!***

*Also even if you don't have an event to talk about or an upcoming event to let us know about, a human interest article with pics is also welcome. We love to hear about your members in. Also please start thinking about the September newsletter. I would like the articles for it by August 24th please. Also be sure to include pictures from Airventure.*

***Thanks again - Darlene Ford***
