

Umatilla EAA Chapter 1632

Newsletter July 14, 2019

Chapter Membership:

Welcome to 4 new members:

John Nichols
Mike Wagner
Mike Alger
Greg Ludwig

We currently have 15 members. See roster below. If you are not on it, you have not joined this chapter. See Greg Windham to join. He is at the airport Tuesday - Friday 8:00 AM - Noon

Mike	Alger	1309691
Steve	Austin	428342
Scott	Blankenship	1263941
Stu	Brown	164413
Sherman	Douglas	711802
Eric	Garrett	1184586
Ken	Jordan	481552
Linda	Jordan	481553
Mike	Ladd	652305
Gregg	Ludwig	1135178
John	Nichols	1310000
Dan	Polkinghorn	1202793
Kevin	Torman	553009
Mike	Wagner	1316255
Greg	Windham	240152

Next time you're in the office, take a look at the Charter Member Certificate. EAA HQ supplied the document and, if you are a Charter Member, be sure to add your signature !

Treasurers Report:

As of 6/28/2019, we have a bank balance of \$477.33 + \$50 cash to be deposited.

Umatilla High Aviation Club:

The Chapter continues to work the kids. We've have met multiple times in June & July to work on the RV 12 project. They have unpacked, inventoried and organized the empennage kit and have begun to put pieces together. We recently received the fuselage kit. The club will start up again on Friday August 16th at 14:30 and meet every Friday thereafter.

Chapter Members are welcome to stop by and help mentor or just watch the progress.

Don't forget, the Club does have a flight simulator (certified as a BATD Basic Aviation Training Device) for rent (or swap hour for hour for volunteering!)

Young Eagles Flights:

The Rally from April (canceled for high winds) was rescheduled to May 18th. 28 kids were flown with an additional High School Club member flown 6/11. Two more Rallies are scheduled for September 21st and November 16th. Chapter pilots and volunteers are encouraged to register at YEDAY.ORG - this also is the site for kids to preregister to become a Young Eagle (preregistration is REQUIRED for kids!)

Airport Construction Update:

Trees have been removed, fencing has started and dirt for the parallel taxiway extension has finally started to be moved! Please be extra aware of workman and equipment as you move about the airport.

Looking south from end of existing taxiway.
