TO ALL MEMBERS OF CHAPTER 1643:

June Chapter Gathering and Young Eagles Event

The Young Eagles Event will be held June 10, 2023 (rain date June 11, 2023) in lieu of the June Chapter Gathering. Weather limitations include winds below 20 kts, ceiling above 1,800 feet and no clouds below 1,800 feet, 5 miles visibility. Volunteers should wear orange T-shirts. Jessica Vens, as YE Coordinator, further reports as follows:

On behalf of the Young Eagles Committee and myself, I wanted to say thank you to all of those who have volunteered for our June 10th Young Eagles event! We would not be able to pull this off without your support! As of now, we are on for June 10th and a rain date of June 11th. Currently we have 30 kids signed up and 8 on the waiting list. Half of them are from our area and the other half are from Moline's cancelled event.

We currently have three confirmed planes with pilots (Randy, Dean, and Cody) and one confirmed helicopter with pilot (Dave S). Aaron will be our back up pilot in case we go down a plane/pilot. As for the Aircraft Safety escorts we have Andrea, Matt J, Stu, and Julie. You will be responsible for bringing the children from the "holding" area to the planes for their flight, making sure the pilots fill out the logs, take pictures etc.

Aaron will give the pilot and safety briefing with Bill as back up.

Deepak/Chris will be stationed at our EAA information table

Bill and Joel will be stationed at the static display. The aircraft itself is Jet Air's C-210.

Ellie, Jackie and Jessica will be at the registration desk.

Ishan, David, and Jim will be our hanger ushers, fill-ins for breaks etc.

Andy will be our ramp marshall.

We are hoping to have a few Jet Air line staff as well.

Our goal this year is for the committee to meet at the Stearman Hanger at 7:00 PM Friday the 9th for a quick set-up. We would like to have volunteers at the hangar 8:00 the morning of June 10th. We will be providing lunch sandwiches from Hyvee with water and tea as well.

If anyone would still like to volunteer and is not listed above please feel free to myself or Aaron. Thank you all again for giving up your Saturday and sharing our love of aviation with the community!

If you have any questions please feel to reach out. My cell number is 563-499-6006 and my email is JVENS2020@gmail.com

July Chapter Gathering

Dean and Julie Stewart have graciously agreed to host a barbeque at their home for the July 8, 2023 Chapter Gathering. Brats and burgers are on the menu. Attendees are encouraged to bring a dish to pass. Details are still in the works but starting time would be around 5:00 pm. Limited non alcoholic beverages will be provided. The event is BYOB. Thank you Dean and Julie!

Board of Directors Meeting

The next Board of Directors meeting will be held June 28, 2023 at 6:00 pm in the Stearman Community Center at the Galesburg Airport. Members are always welcome to attend.

Galesburg Airport Advisory Commission

The next Airport Advisory Commission is scheduled for June 15, 2023 at 3:00 pm in the Jet Air conference room. Be aware that the City cancelled the May AAC meeting before the meeting date. If you plan to attend you should check the Galesburg website to verify the meeting is proceeding. If you have trouble navigating the site, call city hall to inquire.

Treasurer's Report

The Treasurer's report of May, 2023 is attached.

Setup/Takedown Chapter Gathering

Bill thanks the members at large who assisted with the set up and take down for the May Chapter Gathering.

Bill also thanks all those who participated in the discussion about the Cessna 177 & 210 spar AD and the interest shown by the audience. If any member has an aviation related experience they would like to share with the Chapter, please contact a member of the Board of Directors to coordinate a presentation of your aviation experience. This can be maintenance or training related, a travel log of an interesting trip, an ATC "experience", or any one of a number of different subjects.

Fund Raising-T-shirts

Ellie Repp reports: The T-shirt order came in and they will be available for pick up at the Young Eagles rally. If you haven't paid yet, they are \$20 each.

Remote Control Aircraft

The possible RC aircraft event at Galesburg airport is still in the works. More on this as events develop.
