July 2023

Vol. 1 No. 4

## Chapter Calendar

**Saturday, August 5**

**Airport Day**

**Pancake Breakfast 8am to 11am**

**Young Eagles 9am to 1pm**

*Plus: RC Demonstration, CAP, Fire and Police*

## **AIRPORT DAY**

**Airport Day is alive in 2023!** Building on last year's success we will have a community event with the activities listed above.

- Jeremy Anderson, Dennis Hopkins and George Sporie will be flying Young Eagles
- Please bring your planes over for a static display of aircraft and help explain how they work to the public.
- We need all the help we can get. Social media sites have shared news of the event to many interested people.

## **PANCAKE BREAKFAST**

Dan Michalik and his wife Wendy have volunteered to cook the pancake breakfast on Airport Day. Paula Anderson and others will be assisting. The chapter has purchased a grill and second refrigerator. We will borrow picnic tables from the county. This is a new fundraising activity for our chapter and when we have mastered the menu and process, we will be able to do it several times a year. Think of Santa flying into the airport with presents in December.

## COMMUNITY SUPPORTERS

Jeremy Anderson sent solicitation letters to community businesses to help the chapter fund the Build and Fly program for youth that is starting this fall, and other chapter events. To date we have donations totaling \$1,750.00 from the following:

Applejack's Restaurant and Pub  
Enstrom Helicopter Corporation  
Jeffrey Martin, Inc Subway  
Dr. Polzin

Krist Oil  
Northern Coatings  
Linsmeier Implement, Inc.  
Sherri & Tim Plutchak

## FUEL DISCOUNT CARD AT KMNM

The county has restructured a discount card for 100LL fuel that results in a significant savings for pilots. The price of fuel will be \$5.50, a \$0.50 discount from the price on the pump. The price may change over time but the discount will remain the same. Minimum card value is \$1,000. The card must be purchased in cash or by check only. If you are interested contact the airport managers.

## Member News

*Please share news of your new rating, new plane or flight. We are interested.*

### **Dustin Kurath "Pro Tips for Pilots - What is Your Airplane Telling You"**

Topic: If You Listen, Your Aircraft Might Be Talking To You.

Webinar. FAAST Team GL13123090 Wings Credit available.

Wednesday, August 9, 2023 at 19:00 Central Daylight Time

**Dustin Kurath** has received delivery of the Redbird TD2 flight simulator and set it up in his new hangar. Starting in August he will allow others to use it for \$30 and hour. Please contact him if you are interested.
