No Report for January

### **2020 Dues Credited for the 2021 Dues**

The club activities were severely stunted in 2020. Because of this our expenses were also reduced. The board voted to grant all 2020 member that were paid in full to be credited with having paid their 2021 dues. I for one am hoping 2021 will get back to normal.

## **January meeting preview - Flying a Homebuilt to Alaska:**

We are going to try something new for the chapter in January. We will have the meeting in person as well as virtually if you have a need to be isolated due to Covid. We will have our regular meeting at Augusta Aviation on Saturday the 9th. The speaker will be Mark Scott he is President of EAA Chapter 27 in Meriden Connecticut. He will discuss taking his Bearhawk on a three week adventure to Alaska and back. He says it is one of the best things I have ever done. It is about a one hour presentation with lots of great pictures.

He will come to us virtually with the help of a program called “**Go To Meeting**”. The Chapter 27 folks will also be invited virtually; however we will be limited to 150 people online.

I will send out the meeting links separately as well as placing it here. Please be sure to download the GoToMeeting software before the meeting so that you don't miss the first part of the meeting.

However, our primary meeting place is at our chapter clubhouse on Pea Patch Aerodrome (61GA) in Blythe, GA. Take Route 1 toward Blythe, turn south at the Citgo/Quik Mart station onto Bath-Edie Road. At the first intersection, turn right onto Patterson Road and follow ¼ mile. Make a left turn onto Boulineau Road (across from the Rec Center) and drive 1 mile. The entrance to Pea Patch is on your right. The clubhouse is at the end of a row of hangars next to the grass strip, just south of the windsock.
