CHAPTER BOARD MINUTES-SECRETARY JIM HATZENBELLER

Chapter 18 Minutes from the October “2016” Dinner Meeting

The October dinner meeting was held at the Machine Shed in Waukesha. Happy hour was from 6:30 until 7:00 at which time all were seated and dinner was served. A video and slide show of members’ projects was shown in background and was well presented by Darrell Kufalk. At 8:05 the meeting was opened by President Tim Meyer.

Announcements: With sadness, it was announced that Bob Hoover has passed away.

At this time, Tim extended thanks to Dave Hoefgen for his efforts in organizing the dinner meeting. Thanks were also extended to the wait staff and bartenders for their service. Thanks were given to Joe Ptaszek for his efforts with the door prizes.

It was announced that the name Ron Scott will be added to the memorial plaque.

First Flight plaques for this year were presented to the following people. Joe Corragio for his Long EZ. Tom Stranak for his RV. Andreas Kerwel for his RV. A plaque was also presented to Barry Bernstein for his RV.

At this time, Joe Ptaszek read off the numbers of the winning tickets for door prizes. Those with matching winning ticket numbers came forward to select their prize until all prizes were gone.

Meeting was adjourned at 8:30pm.

Respectfully submitted, Jim Hatzenbeller (Secretary)

- I had completed RV-6A tail and wing kits, and had started the fuselage kit, when I lost two brothers and a nephew in a Cirrus accident in 2001. I lost interest and the kits have been sitting untouched since then. The wing bottom skins were damaged in a move to Wisconsin from Texas. The fuselage frame was clecoed together but no skinning started. At this time, I would like to dispose of the kits and was wondering if you might know of someone interested in taking it over, or if a school might want to use it for parts. Ken Koehler Sussex, WI 262-372-4402 kenekoehler@gmail.com
- Hanger Space For Rent I am building a Zenith CH-200 in a 60' x 66' hangar at KUES on Aviation Dr. with heated floor, compressor, water, sewer and kitchen. I am looking for fellow builders to share space, ideas, tools and synergy. Cost based on the square footage your project needs.

- For Sale: 1.5 Acres for building home and hangar on Air Troy Estates, East Troy WI. Call Bob Mick 262.642.3559
For Sale: 1939 Luscombe 8A Light Sport qualified Bob Mick 262.642.3559
If you hear of anyone that is looking to be on an air park there are a minimum of three houses and two lots that are for sale. And it sounds like Bob Urban maybe thinking about selling also.

WANTED TO BUY, RENT or BORROW

- Craig Henry is looking for a bending brake for RV ailerons. Those of you who are RV builders know exactly the part that I am talking about, and if anyone has one available, please contact Craig at 414-899-5980 or Glasair2@aol.com
- I am shopping for a Light Sport eligible aircraft located in the Wisconsin or nearby surrounding area—something we can use through the upcoming summer flying season. My wife and I are currently flying a Starduster Too, but issues with my 3rd class medical will require that I make the switch to Light Sport, at least for a while. We do presently have a Taylorcraft, but it needs some rebuilding and won't be ready to fly for at least a year. So, we are looking for a solid, airworthy Light Sport eligible airplane that doesn't need any or much work. Types we have been considering: Aeronca Chief, Taylorcraft, Luscombe, Ercoupe, Rans S6, Kit Fox 4, Zodiac 601 XL-B and others. They are cabin types and side by side. (We have two young grandchildren we would like to introduce to flying.) Randy Noak EAA #57117, Tech Counselor, A&P, IA, 541 Bowen St., Oshkosh, WI (920) 426-2763 classiair.novak@gmail.com

A Celebration of Life Honoring Robert A. "Bob" Hoover

On November 18, a memorial celebration for the late Bob Hoover, a legendary pilot who died on October 25, was livestreamed from Clay Lacy Aviation in Van Nuys, California. This allowed the thousands of people from around the world who knew and/or admired Bob to join the event. The program was hosted by Sean D. Tucker and Danny Clisham. This is a recording of that livestream.
