Hello All,

I hope you all have a safe and meaningful Memorial Day. As the calendar flips to June, I'm very much looking forward to summer weather.

Our very special June, 2021 Chapter meeting at Mona Lake Boat Club will feature Ed Shumway on Sea Plane Adventures. Ed currently flies a beautiful C-180 on straight floats and has many years of experience flying.

On Saturday, May 22, Chapter 211 hosted a breakfast workshop at Ottawa Executive Airport with EAA Chapter leaders from Chapters 211 Grand Haven, 145 Jenison, 221

Kalamazoo, 578 Freemont, and 504 Sparta. The objective was to renew communication and coordination between the West Michigan EAA Chapters, an idea that was originally initiated by Chapter 145's President, Dick Foster prior to "COVID-19." We hope these efforts will prove to be of great benefit to all members of the Chapters in the coming months. A big thank you to all the leaders who participated!

I look forward to seeing you all at our next Chapter meeting.

Best regards,
Mark Lynn
