Powered Parachutes at Park Township 2018

This month we are welcoming (hopefully) warmer weather with a cookout at the clubhouse. We will have hamburgers, potato salad, chips and drinks. We don't really want to suggest an amount, but do ask for an appropriate donation if you would like to eat with us.

Of course, along with the food will be a lot of good conversation and camaraderie.

The program will be a video shot by our own Bill Verduin at the 2018 Powered Parachute event at the Park Township Airport.

Hello All,

I hope everyone is surviving all the rain this Spring? Let's hope as we move into the Summer months we reach warmer temperatures and less rain.

Thank you to all that helped with the Grand Haven Dawn Patrol and the Young Eagles Event. It is much appreciated.

Looks like we have finally liquidated our Airbike project and in the process, put a little cash into the kitty. We are

very appreciative of the donation from Alfred Smith, and the of the parties who purchased the aircraft and parts.

Looking ahead, we are closing in on the greatest Aviation event of the year, Airventure. I hope we have a good number of 211 members attending and perhaps we can meet up?

I look forward to see all of you at our regular chapter meeting on Friday, June 7. 2019.

Best regards,
Mark Lynn

Do you have something you'd like to sell, a service to offer, or an event you'd like to advertise? Why not get it into Hangar Talk? Just email all information, .pdf files, and standard .jpg files to me, the editor, at hagenphoto@yahoo.com. The sooner you get it to me the better, but try to get it to me no later than 10 days before the next meeting so I can get it into the most current issue of Hangar Talk. Thanks, Dale Hagen
