MEETING FRIDAY, OCTOBER 4, 2013

Maintenance of Certified Aircraft What can an owner do? -

The EAA Chapter 211 meeting will be Friday, October 4th, 7:30 pm, at the clubhouse at the Grand Haven Municipal Airport. Our guest speaker will be Ron Walters, Technical Counselor for EAA Chapter 13. Ron will present a PowerPoint program about maintenance an owner can do to a certified aircraft. Ron and his wife, Nancy, have been flying partners for many years. Both hold private single engine land and sea and instrument ratings. They currently own a Bonanza V-35 and a Glasair S II RG. Some of our members will remember a program that Ron and Nancy presented to our chapter some years ago about building the Glasair and having it attacked and destroyed after 25 hours of flight by

an out-of-control Cessna Skylane. They rebuilt the Glasair and continue to enjoy flying it. It will be fun to have them back with us again.

American Eaglet Project

Work on the Eaglet will continue in late October or early November. Check the chapter web page for more information.

Prez Sez

Greetings Everyone,

Our September meeting with Airbus test pilot Terry Lutz was very interesting. The weather even cooperated which allowed several of our members to flew to Sparta for the meeting at John Gill's hangar. Thank you, John, for providing the venue and hospitality!

You won't want to miss October's meeting as we welcome back Ron Walters, Technical Counselor for EAA Chapter 13. Ron will present a PowerPoint program about the maintenance an owner is allowed to do to a certified aircraft. You may remember Ron and his wife, Nancy, who spoke to us a few years ago about building their Glasair S II RG... twice!

I want to apologize for a mistake in my Prez Sez last month. It was Ben Gerhardt (not Brian) I meant to thank along with the others who worked on our Chapter 211 "booth" at the Dawn Patrol, August 24. And, if I forgot to mention anyone else by name, please forgive me. Everyone's help was much appreciated.

I hope to see you all at the meeting.

Sincerely,

Dale Hagen

President - EAA Chapter 211

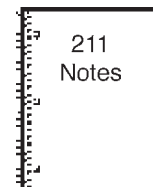

Editors Notebook

Fall is here. I see some leaves starting to turn as I ride my bicycle on the trails.

The newsletter is going out early since I am getting ready for my annual long motorcycle ride. Thanks to the board for getting their parts of the newsletter to me early. I will have to visit some airports as I ride.

Enjoy your fall flying

George
