## Prez Sez

Hello All,

I hope everyone had a safe and happy Independence Day. With temperatures hot and humid, I would say summer is finally here.

I hope you all can make our next chapter meeting. Ed Shumway will be presenting on Sea Planes. Ed has a beautiful C-180 on straight floats and many years of experience flying.

I have been making steady progress covering Schwiezer 233 tail feathers with the Stuart Systems process.

I look forward to seeing you all at our next chapter meeting.  
Mark
