

March 2021

Experimental Aircraft Association Chapter 211

Hangar Talk

Serving airplane builders, restorers, pilots, & airplane lovers in Western Michigan

Meeting Friday, March 5, 2021, 7:00pm

SMAT - School of Missionary Aviation Technology

We are excited to announce the next meeting of EAA Chapter 211 to be held at
Ottawa Executive Airport hangar (Z98) 5923 Byron Rd., Zeeland, MI 49464

The School of Missionary Aviation Technology, (SMAT), is located in Ionia, MI, and provides mission-driven students with FAA-certified training in aircraft maintenance and flight. Their specialty is preparing individuals to serve the Lord in missionary aviation.

Terry Yoder, President/CEO - School of Missionary Aviation Technology (SMAT), will be presenting the programs and opportunities offered by the school. This includes Christian centered curriculum for both flight training and aircraft maintenance. The full-time flight school provides structured training to prepare students for missionary service. The maintenance program is a Part 147 A&P program that can be completed in 12 months. SMAT also has alliances with many other mission agencies and schools where many SMAT graduates serve.

I'm sure you will leave this meeting not only impressed but blessed.

Treasurer's Report

Chapter 211 recently renewed our Chapter membership with EAA International. That was only \$100, but we also had to renew our insurance which was \$483. Yikes!!!

In November we announced that, due to "Covid," we were extending 2020 memberships through May, 2021. (We sure hope to be back to something at least resembling "normal" by then.) There will be no increase in dues for 2021, and the membership year will go through May 2022. Even better, you can start supporting Chapter 211 by joining now and your membership will be effective through May 2022! So,

Join Today!

Dues for EAA Chapter 211 are as little as \$25,

Unless you want to pay more. Some people do, just to support the Chapter!

*If you are a student, you may join at no cost.

If you join now, your membership will last until May 31, 2022!

To join, click on the link below and fill out the form that opens up.

At the end you will be asked to select the membership level at which you wish to join and click submit. The Membership Levels are:

Student Level \$0 - (18 yrs and under) Free newsletters by email and access to all events, but no voting rights.

Eagle Level \$25 - Free newsletters by email, access to all events and voting rights.

Airman Level \$50 - All the benefits of the Eagle level, plus you will receive a free Official Membership Roster and a special name badge that attaches by magnet instead of a pin.

Ace Level \$100 - All the benefits of the Airman level, plus you will receive a certificate for a special portrait session of you and your airplane by professional photographer, Dale R. Hagen.

Finally, make out a check for the appropriate amount and give it to Dale Hagen at the meeting, or send it to:

**EAA Chapter 211
Grand Haven Memorial Airport
16446 Comstock St
Grand Haven MI 49417**
