Then, for our program, Ed Cech and Bill Verduin will be discussing all aspects of grass (turf) air strips, from ownership, to maintenance, to takeoff and landing precautions, etc.

EAA Chapter 211 Meeting Minutes – 2019-11-01

Submitted by Paul Overbeek

Attendance: 19

Call to order and Pledge of Allegiance – 19:30

The Nov. 1 Chapter 211 meeting was called to order by President Mark Lynn.

Attendance and Visitors:

A total of 19 members were in attendance.

Event and Meeting Dates:

December 6, 2019 - Regular meeting at Ed Cech's.

December 14, 2019 - Christmas Banquet Celebration at the Sparta airport.

January 3, 2020 - Regular meeting - Annual Project Reports

February 7, 2020 - Regular meeting - to be announced.

Previous Meeting Minutes:

A motion was made, seconded and passed to accept the October 4, 2019 meeting minutes.

New Business:

The need for two new officers to replace the retiring officers was discussed. The two positions needed to be filled are the secretary and vice-president.

There was a short discussion on the upcoming Christmas party. Dale volunteered to contact Sparta (Chapter 704) to find out what they were thinking for a date, as well as other details (which now appear elsewhere in this issue of Hangar Talk.)

Program:

The program was presented by Al Schock, Air Traffic Control Manager at the Grand Rapids airport. He explained the change to Great Lakes Approach and how it works. Kalamazoo is now the main control center for 6 airports, Grand Rapids, Lansing, Muskegon, Flint, Saginaw, and Kalamazoo.

Al recommended that pilots should ask if they don't understand the controller as controllers don't always understand the pilots.

ADS-B was also discussed as to how the air traffic controllers use it and the future of it.

Al provided phone numbers for the GR Tower:

202-604-7123

616-638-5845 cell

616-575-1955 office

A big thank you to Al Schock for one of the best programs of 2019!

Adjournment:

The meeting was adjourned at 22:00
