### Dues and Roster

Your editor did not get the Roster completed this month, so you have one more chance to be included in the 2011 Roster. Dues for 2011 will be collected at the meeting, \$25 or \$22 with email delivery of the newsletter. The treasurer will have an envelope with the 2010 roster information for each member. Put your dues in your envelope and check that the roster information is correct. The roster is planned for printing in May.

### Board Members Still Needed!

We are still looking for board members for 2011 who will become officers in 2012.

Be a board member, get a

## Prez Sez

Greetings all!

I hope you can all make it to this months meeting, April 1, 2011... and that's no April fools joke!

The weather was pretty bad last month, yet we still had a great turn out. We all enjoyed a very professionally produced video on runway safety.

I wouldn't want to miss this months program, and not just because as president I have to be there either! Hope to see you there too.

Now this is serious... we really need two members to step forward and become board members. Please give this serious consideration. We really need to get these slots filled. Thanks.

I received a call from Frank Roldan, Lt Col, Civil Air Patrol, informing me that he had received a call informing him that the funding for the practice mission they were planning at the Grand Haven airport on Saturday and Sunday, March 19-20, 2011, did not come through and therefore were going to scale back their mission and wouldn't need our clubhouse. He once again expressed his gratefulness for our generosity and cooperation with Lakeshore 119th Composite Squadron, CAP. He also they hope to be able to do something later in the year.

Looking forward to seeing you all at the meeting.

Keep the shiny side up!

*Dale Hagen*

President - EAA Chapter 211

## Editors Notebook

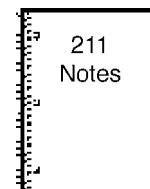

March had a few warm days, April should be better.

I was not able to get the roster compiled this month, I'll work on it for May.

Those of you that are at Sun'nFun, be sure to send me photos and descriptions of what you see there so I can share it with the chapter.

Prez Hagen lectured you on the need for board members this month so I will not dwell on the topic.

*George*
