Hangar Talk

Serving airplane builders, restorers, pilots, & airplane lovers in Western Michigan

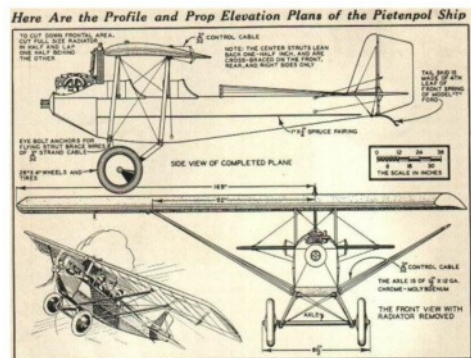

Meeting Friday, September 7, 2018, 7:30pm

EAA Clubhouse, Grand Haven Memorial Airpark (3GM) 16446 Comstock St, Grand Haven, MI 49417

Flying to AirVenture Oshkosh!

Welcome back. We hope you had a great summer! Our September program will feature a video of Clyde Buckley building his Pietenpol Air Camper, named for the plane's inventor, Bernard Pietenpol, aka Father of the

Home Built Airplane. I don't know what year this film was made, but Scott Degaynor will be presenting this hilarious classic video, and he knows all the particulars.

Prez Sez

Greetings,

I would like to take this opportunity to promote one of my favorite aviation events, the WWI Dawn Patrol at the USAF Museum in Dayton, OH. September 22-23. There will be a fly-in of replica WWI fighters with Allied and German re-enactors camped on the field. This year will be marking the 100th anniversary of the end of the Great War. This event is held every other year, so if you miss this one, you will have to wait until

2020. I always plan an extra day just to see everything at the museum, and I'm looking forward to seeing the newly restored Memphis Belle.

Check your 6,
and beware of the Hun in the sun,
