The October 4th Chapter 211 meeting was called to order by President, Mark Lynn.

Attendance and Visitors:

A total of 21 members were present.

Previous Meeting Minutes:

A motion was made, seconded and passed to accept the September 6, 2019 meeting minutes.

Treasure's Report:

For October our checking account was \$4138.81, petty cash \$120.00, and coffee fund \$74.00. Since the October meeting Ken has deposited the \$120 from petty cash making a checking account balance of \$4,258.81, \$0 in Petty cash, and there is now \$80 in the coffee fund.

Technical Reports:

Jack talked about repairs on a J4 and also on a 150 that had been down for 10 years.

Flight Advisor Reports:

Brian was not present for a report, but several accidents were discussed including the B17 crash, Pilatus in Lansing, and the local 150 that hit a water tower.

Project Reports:

Bob Fidler announced that he purchased a Glasair that had landed with the nose wheel up. It will require an engine, nose wheel, and some cowling repair.

Old/New Business:

There was an error in last months issue of Hangar Talk. While it is true that we need to elect two new officers at the November meeting, the positions needed are for Vice-President and Secretary. These are two year terms, and believe me, two years goes fast, so please consider running for one of these positions. The chapter needs you!
