2021 Young Eagles Event

Saturday, August 21, 2021 8:00am to 1:00pm

EAA Clubhouse, Grand Haven Memorial Airpark (3GM), 16446 Comstock St, Grand Haven, MI

Fifteen year old Joelle Mallo, who had recently visited the Kalamazoo Air Zoo and was considering a career in aviation, got her first chance ever to take an airplane ride with Ethan Beswick at our 2018 Young Eagles event. It's hard to put into words the immense thrill this opportunity

was for Joelle.

At the event, she also got to meet EAA Chapter 211 member and Fed Ex pilot, Brian Green, and another Fed Ex pilot, plus talk to a Navy veteran and other pilots about various avenues to becoming a pilot.

I just want to say thank you to Ethan and everyone involved in Young Eagles. You just never know how much you do can mean to a young person.... And, then again, sometimes you can!

Now 18, Joelle is considering her education and career paths, and is still very interested in aviation.

Maybe you can be a part of making a difference in a young person's life. Please consider being a pilot or ground crew volunteer at our Young Eagles event, August 21, 2021. To do so, please call our Young Eagles coordinator, Warren Roosen, at **231-750-7399**.

Prez Sez

Hello All,

Last month we had a nice meeting in our home "Clubhouse" at the Grand Haven Memorial Airport. It was good to finally be able to meet there again. But, I want to take a minute to express our gratitude for the hospitality shown us to by Brad Pugh and all the guys at Ottawa Executive Airport. It was very encouraging to us to have the chance to reach so many aviation enthusiasts there who, in some cases, maybe didn't even know we existed. Two things: 1. We hope to be able to schedule 3 or 4 of our meetings each year at Z98, and, 2. We would like to invite you to become a member of EAA, Chapter 211.

I hope everyone reading this will consider volunteering, either as a pilot or as ground crew, to help our 2021 Young Eagles Event be successful. Please mark your calendar now for, Saturday, August 21, 2021, at Grand Haven Memorial Airport. This is a great opportunity to share the Spirit of Aviation with young people, and inspire them to take up the activity we all enjoy so much, aviation!

I look forward to seeing you all at our next Chapter meeting.

Best regards,
Mark Lynn

ATTENTION!

Warren Roosen, our Young Eagles Coordinator, will be volunteering with the Warbirds at Oshkosh Air Venture this week. It might be best to call him about volunteering for our Young Eagles Event sometime during the first week of August.

Warren has said this will probably be his last year as Coordinator for Young Eagles, so let's do all we can to make sure this is a successful event! And, please, also consider whether YOU might be the right person to take over Young Eagles for Warren going forward.

Call Warren Roosen, at **231-750-7399**.
