## 219 Made it to Oshkosh again!

Pictured above is Mark Dicky in the famous Blue barn. Proving that the Pendleton EAA chapter made it to AirVenture once again. This time taking two planes. Six of our members were able to make it out for the event this year and were met by Bill Harrington from EAA 604 again.

This year the club was able to secure club campsite. And the volunteers at AirVenture hook us up with an excellent location. Not to mention the RV that Keven brought. The whole experience was great this year as always.

The whole experience has given all of our members thoughts to make our chapter better and plans for next years trip as well.

More tall tails at Tuesdays Meeting!

## Madras Fly-in (Airshow of the Cascades)

Tracy Koberstien is back at it with another awesome and nearby airshow fly-in this time to Madras Oregon for the Airshow of the Cascades. Tracy was at this event last year and said it is well worth the trip with a top notch museum, live music, great food, and amazing fireworks show on Friday. More info can be found by following this link <https://cascadeairshow.com/schedule-of-events/>
