**NEW BURDEN FOR BACKCOUNTRY PILOTS**

## College Place Young Eagles

College Place’s Young Eagles is all wrapped up. The weather managed to hold just long enough for all involved to get a total count of youths flown to 133. I’m sure I can speak for college place and thanking all the volunteers from several chapters that came out to make this event success. I think we can all agree having more pilots is always a good thing and being able to inspire the next generation of aviators is an exhilarating feeling.

Congratulations to EAA 604 on their successful event! Looking forward to our upcoming Young Eagles event June 29.

# ANNOUNCEMENTS

---

## Our next Fly-Out

While it may be a bit soon to start planning our next fly out with our young Eagles right around the corner. I couldn't help but share the awesome fly out idea Tim Anderson pitched that I think we should make every effort to make a possibility.

A two part fly out, old-school planning no technology and having to navigate old school to the destination. And the destination? A desert lakebed SE of Burns Oregon. Your estimated time in route vs actual time would go to your score. While it would be easy to cheat, you would only be cheating yourself of this excellent opportunity to improve your piloting skills.

## Poker Run

Still no update on poker run dates. Dave Plans to start Nailing down dates after YE 219. Jim Holloway EAA 1575 LaGrande is wanting to get the poker run off the ground this year. Its still in planning stages so we are looking for dates this summer that will work for the most amount of people.

Destinations are Tentatively LaGrande, Pendleton, Martin Field, Hermiston, and Lewiston.

## Club meeting night agenda.

Meeting starting at 7pm doors open by 630 coffee and Homemade cookies available Thank You Jody!

VMC Meeting topic, IMC Q and A., Round table Rundown of ways to improve young eagles with all that attended College place YE, Followed by social time
