Holiday party is almost here...

I hope your all hungry. Mainly because I tossed most of the take home boxes. The annual EAA 219 Holiday party is something that I look forward too every year. While it is not our biggest event we do, it does however give us a chance to get together and reflect on the things we were able to accomplish as a club throughout the year. And share in each others company and of course great food. Im very happy to be a part of EAA because of all the great people I've come to know.

Cant wait to see you all at this years Holiday party!

ANNOUNCEMENTS

EAA 219 Holiday Potluck

Once again its almost time for the EAA 219 potluck. This year we will be hosting the Holiday party November 23rd 5pm at the EAA Clubhouse. E invite cards have been sent out feel free to share. And please RSVP as soon as you receive your cards. Or you can follow the link below. Looking forward to seeing everyone again

Officer Elections

With the new year comes your chance to help improve the club through leadership. This year the positions that are up for election are President, Secretary, and News letter editor. Voting will be held in person during the January meeting. Make sure to nominate next meetings anyone you think would be a good fit for these rolls. Or if you just want to punish someone Im not picky :)

Club meeting night agenda.

Meeting starting at 7pm doors open by 630 coffee and cookies available.

VMC Meeting topic, IMC Q and A. Special guest speaker from NOAA, Followed by social time

November Board Meeting

EAA 219, 11/14/24 700pm-731pm

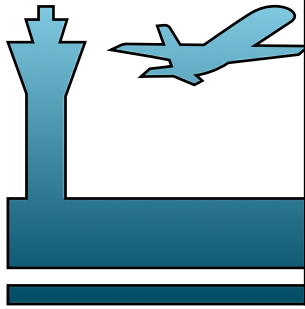

Dave, Ron, Rex, and Jordan

Treasurer Report - No significant change. (Detailed information Available to members per request)

Ray scholarship - Discussion deadlines and funds to be returned. Discussion about next application and our options. Planning to be more focused and goal driven with more member support for possible next candidate.

Holiday Potluck - Discussion of holiday party. Confirm main course. Set up. Discuss current amount signed up. Currently at 25.

Other - Discussion about Tuesday meeting, and possibly of getting Rob from NOAA to come chat with us. Brief discussion about officer selection.

VMC Question November

Question: You are making a daytime VFR flight from Hyannis, MA to Martha's Vineyard, MA as shown below. Conditions include a 1,000 foot overcast and 10 miles visibility. What is the highest altitude at which you can legally fly this trip under these stipulated conditions?

EAA IMC Club
Question of the Month

Question: You're flying in IMC on an IFR flight plan when you determine you have a radio problem. It seems you can hear transmissions, but you are unable to transmit. What can you do to alert ATC to your situation?
